

A Warm House FIRST

There is one absolute essential for home comfort in winter time—a warm house. Are you certain that you are giving this vital item in home comfort its proper consideration. Why struggle through next winter worrying every time the weather falls below zero? Why suffer the discomfort of a cold, chilly home?

Now is the time to go seriously into your warm air furnace problem. We are better situated to give you service at the present time. If you feel your present furnace should be overhauled, or are anxious to receive expert advice on your heating problem.

Down South

On a certain Sunday morning the pastor noticed a new attendant at the church.

When the meeting was over the preacher made it his business to speak to the newcomer.

"Erastus," he said, "this is the first time I have seen you at church for a long time. I'm mighty glad to see you here."

"I had to come," replied Erastus. "I needs strengthenin'. I'se got a job whitewashin' a chicken coop and buildin' a fence around a watermelon patch."

On hubby's face, dismay.

On wifey's face, just clay.

The air was heavy, the night was hot. He sat on a hornet and up he got.

Why is a mouse like grass? Because the cattle (cat'll) eat it.

A boy in Massachusetts told the teacher that his sister had the measles. The teacher sent him home and told him to stay there until she got better.

After he had skipped joyfully away another boy held up his hand and said: "Teacher, Jimmy Dolan's sister what's got the measles lives in California."

What part of a fish weighs the most?

The scales.
