Governor-General of the Caucasus), creasing ferment among the Persian this city, were called to the bar at tribesmen, owing to the massacre of Toronto yesterday by Mr. Justice Mathe Armenian villages of Mirkdend, see. Mr. Allan A. Magee, it is a coinauthorities of what had occurred. The commissionary will be placed on trial.

THE DESTRUCTION. OF THE MIKASA

Heroic Incidents—Series of Explosions.

London, Sept. 16.-The Daily Telehere of the prominent radical writers graph's special correspondent sends the

majority indorsed the platform adopted | Few details are yet available with reference to the explosion on the Mikasa, Your special correspondent at the naval base, Sasebo, sends the following telegram via Moji, under date of Sept. 13, noon, which was received here at Colon, Sept. 16.—The St. Petersburg and also materially assisted the work of rescue. heartrending spectacles from the shore

"Boats were lowered in all directions suffering from many casualties, and as if it were proceeding in daylight.
"Water rushed in through a hole in the port side of the ship, and the Mikasa settled down near by. A transport lying at anchor, said to be the Kai-

koku Maru, was somewhat damaged by the fire, which spread out on either side of the battleship.

"Among the bodies picked up that night were those of Lieut. Mamaki, three gunners, six sailors and six en-gineers belonging to the Mikasa, and eight or ten bodies of men from other warships. It is believed that, as the damage can be easily repaired, the flagship will soon be raised." Baron Yamamoto, Minister of Ma-

rine, has made the following authoritative statement: "The burning of the Mikasa is content in the navy with reference to the peace terms are as absurd as they

sembled yesterday at my residence, and all agreed that an accident must be the cause. I have appointed a commission at the head of which is Vice-Admiral Misu, to investigate the calamity and also the conduct of the captain and second in command. The findings will be made public."

The Mikasa's guns are now being re-moved from the ship preparatory to
