# ON THE LAST SHOT

Capt. Murphy Defeated Private As Horse Race, Woodstock Allen by One Point in Seventh Shoot.

A splendid contest took place in the weekly spoon shoot of the Seventh Regiment at the cove ranges on Saturday afternoon between Pte. Allen and Capt. T. J. Murphy. Pte. Allen shot first and made a total of 91. Capt, Murphy followed, and with his last shot it was necessary for him to make a bullseye to win by the narrow margin of one point. He was equal to the occasion and won the spoon. Pte. Allen's figures were: 31 at 200 wards, 29 at 500 and 31 at 600. At 200 yards Capt. Murphy put on a score of 34, the best at that range during the afternoon; at 500 he got 30 and came up to 600 yards 4 points ahead of Pte. Allen, who had already finished. There, however, he had to contend against a treacherous wind, and his first six shots netted him only 23, making the bullseye necessary to win on the seventh and last shot. The prizes in the other contests went to Sergt. Freeland in class B and Pte. Tite in the young shots' class. Sergt. Freeland made a score of 70, and won his second spoon. The scores

Toronto, May 27. - Another large crowd and another good day's racing was enjoyed at Woodbine today. The Governor-General was present with his suite, and it might be almost said that he took an active part in the racing as he visited every part of the grounds interest in all that was going on. He was the guest of Starter Murray at one of the starts, was a frequent visitor to the paddock, and sat with the judges in the stand during wie running of several races.

The feature of the programme today was the Woodstock plate, but it did not amount to much as a horse race. The best price obtainable about him was 1 to 5, and his winning did not hurt the books to any The most exciting finish of the day
