India's Awakening

The national feeling was the great- in his." est sign of India's awakening. Everywhere the natives were speaking of "our country."

"India seemed so hopelessly disunited that one might as well talk of the unity of China or the unity of Gunn declared that he had great faith Europe, as talk of the unity of India," in the movement. The churches were said the speaker. "But the fact is not giving to their capacity, and they centum of the assessed value of the whole said City of London will be taken on this that India is awakened to the fact had not been so vitally interested in that she is a nation. This spirit has this matter as they should be. The don, as shown by the last revised assess- ary, A. D. 1908, commencing at the hour taken hold of the Christian popula- resolution was seconded by Mr. C. E. ment roll for the time being of the said of 9 o'clock in the morning, and continuing until 5 o'clock in the afternoon, at they have organized a progressive ing most heartly in accord with the missionary campaign for the evan- movement. Prof. Patterson, Rev. A. J.

China, he said, has progressed more during the past two years than durborrowing power, as fixed by the next January, A. D. 1908, at his office in the ing the past twenty centuries. This preceding section, has been reached, the City Hall, in the said City of London, at he believed to be literally true. Agrinet amount of its indebtedness for water- the hour of 11 o'clock in the forenoon, culture, manufactures, commerce, the and any liability in respect of local im- ed by him, two persons to attend at the offices, the development of a standing multiplicity of newspapers and postarmy, a new navy, a new educational system, all betokened the fact that the dragon of the east was awakening. The old school system was now written out of the life of the nation. Col-And whereas the amount of the whole ed in and desirous of opposing the passing leges and schools were springing up everywhere, and there were multi-9.—That the clerk of the said Municipal tudes of students the world over im-Corporation shall attend at the City Hall bibling the civilization of other nations. The new China had all but arrived. Mr. Murray emphasized the fact that this was the strategic point. The nations of the east were plastic, and Chicago. could be molded by the gospel of Jesus

Christ better now than later or at any time during the history of the church, As W. T. Ellis, the journal- Bend, Ind. ist declared: "The church ought to make for this great need. He asked that this great enterprise of the church be undertaken with the same spirit with which large business enterprises were being handled in the commercial world. If the church bent her energies to this problem, the evangelization of the world in this generation would not be an idle thing. The Master was counting on the churches to do this work.

Mr. White.

Mr. J. Campbell White followed and gave a splendid talk on the givings New York warehouse while two emof the churches, and illustrated it with charts.

"I agree with the man who said, 'I 1.—It shall be lawful for the mayor of taken by the 70,000 organized railroad save a million dollars," declared Mr. employes east of the Mississippi River, White in commencing his address. "I can hardly conceive how a man could spend so much time in saving a million dollars when there is so much credit of such debentures, a s m of money great federation, more than to decide need of men. I want to see to how not exceeding in the whole the sum of upon a concerted demand for more many men I can carry the gospel. You men here in this room have the The trainmen and the conductors power to carry the gospel to millions said City of London for the purposes and are voting on the amalgamation, and of men, if the Lord can only depend 2.—The said debentures shall, pursuant balloting. A concerted demand for giving money for years without even the firemen and the engineers are also on you. The church has been actually higher wages and readjustment of con- thinking that what he wants done is ditions will be made if the federation being done. The new conception is outcome of her suit for \$50,000 damhere. The Master wants his men in ages. Although the full result of the vote this age to do it. We cannot preach D. H.
