Mr. S. of property by the oil magnate. A few months ago the attorney for the trustees discovered that all the donations were invalid, as they were made to a church which had no legal nomination. A hasty call was issued to the congregation and last night the neceslegal steps were completed to

CITIES TO ASK FOR

London to Take the Lead in Government.

The city council may ask the Pro-vincial Government to allow the municipalities to inaugurate a commission form of government.

Yesterday the finance committee passed a resolution recommending to the council that the Government pass legislation at as early a date as possible allowing cities to govern them-

selves by commission.
"I think it would be in the interests of London, as well as other municipalities if such a form of govern-ment were instituted," said Ald. Richter, "and the better way would be to case of London.

The other members of the commitwas passed.

The feeling prevails that the Govbeen growing fapidly of late in London, and in other municipalities.

A CASE DISMISSED

Pool Room Owner Charged With Permitting Minor to Play.

Jacob Harris appeared in the police ourt this morning on the charge of allowing minors in his poolroom in East London. He pleaded not guilty. John O'Neil, of Nile street, testified that he had played pool in Harris' establishment. Cross-examined by Mr. Judd, he admitted telling the manager that he was 18. Mrs. O'Neil testified that he was only 16, and that she had not consented to his playing pool or frequenting poolrooms. The case was dismissed by Magistrate Love.

Robert Harris (colored), who laid an information against his brother-inlaw for creating a disturbance, but was too drunk himself to give evidence, was discharged this morn-

HAGUE CONFERENCE PRISONER MAY BE GOVT. BY COMMISSION MADE WORLD PEACE

Memorializing the Provincial Hon. A. B. Aylesworth Fully Explains Awards Made Recently.

DECISION ABOUT

Is Very Important, As It Affects All Fishing Rights-Canada Was Not Sacrificed in Any Way.

Ottawa, Dec. 2. The contention of debate and the excitement attendant upon the division in the early hours memorialize the Government to enact of this morning, when both the Nageneral legislation rather than aptionalist and Conservative amendpear before them to make a special ments to the address were rejected, and the Government's naval policy was triumphantly vindicated, gave way in tee agreed with this, and the motion the House of Commons this afternoon to an atmosphere of repose, which enabled the jaded members to enjoy to ernment will pass the necessary legis-lation. Sentiment in its favor has exposition by the Minister of Justice the full an eloquent and illuminating of the main features of The Hague tribunal's award. As announced in today's Globe, the first division on Said to Have Appointed Commission Mr. Borden's amendment resulted in a majority of 56. As indicating the confusion which reigns in the Opposition ranks upon the navy question. Mr. Monk declined to vote on the amendment of the leader of the Op-position, while the other Nationalists present, Messrs. Blondin, Nantel, Paquet and Gilbert, voted against it, and with the Government. There was thus witnessed the peculiar spectacle of the party which denounced the Government's naval policy in Drumond-Arthabaska, including the new member for that constituency, supporting it as against the Conservative

Conservative Attitude. A still more striking evidence of the don't-know-where-we-are" of the Conservatives and Nationalists was revealed on the second division on Monk's amendment. Nine Conthemselves on record as in favor of Mr. Borden's proposal to consult the people, withheld their support from Mr. Monk by staying away, the "bolters" including Messrs, Bristol, Foster and Macdonell, Indeed, it was noticeable that the only Toronto member who voted with the Nationalists was Mr. Russell, who, in this respect, followed the example of Mr. Borden of and the majority of the Conservative Great Interest Is Being Taken in the ageous than his Toronto colleagues, the Monk amendment and of 120 against, or a Government majority of

The Hague Award. When the House resumed this afternoon the members forgot all about setting aside the original deed on the the incidents of the morning in their ground he had secured it from Mrs. appreciation of the masterly speech Steers by using threats of violence. Of Hon, Mr. Aylesworth upon the The defence set up the claim that Steers already had a wife living when he induced Mrs. Steers to go through a marriage ceremony with him, and a marriage ceremony with him, and that he subsequently secured a deed tion he had bestowed upon the case, the property by threats. Judgment of the minister of property by threats. Judgment of the minister of the minister of the minister of the minister of the defendant, attempted unsuccessfully to have fendant, attempted the to her property by threats. Judgment a clearness of exposition that made testimony was just the opposite of what a complex and intricate deliverance he told him and two other attorneys a gave a presentation of the award which enabled the members to ap-John J. Open Evenings.

There is no falling off in Jessie Maclachlan's ability to sing Scotch songs as few have ever sung them in this city, and in spite of a bad cold she more than pleased a large audience at the Grand Opera House last night. She sang practically all the old favorite ballads of Scotia, and they all had that same appealing melody and beauty of expression that has characterized her

singing for these many years. It was

splendid evening's enjoyment. assisting artists were Mr. Craighall Sherry, a remarkably fine Scotch enertainer, and Mr. Robert Buchanan, planist. Both were in excellent form and delighted the audience.
