This Store Opens at 9 s.m. and Closes at 5:30 Daily. Your Holiday Apparel--Saturday Sales Will Help

For the real enjoyment of a holiday you must feel that you are smartly dressed. Victoria Day (Tuesday) promises to be a real gala day, as the season is at least a month in advance of other years.

Georgette Blouses a Sale Feature Saturday, \$4.98 About 150 in the group, and they must not be judged by the price, as in many cases they are worth double. A manufacturer's surplus passed on to us at a price that we would not be looking after our customers' best interests if we refused them. Every blouse should be sold early in the forenoon tomorrow. We do not say come and buy, but come

Y. M. C. A. REPORTS A **BIG YEAR'S WORK**

The Membership Increasing Rapidly and Much Expansion Work Undertaken.

as presented to the board of directors and a number of active members of the as presented to the board of directors and a number of active members of the association last evening, indicated that the association, as a whole, was in a flourishing condition. General Secretary E. J. Jenkins, in a general report of the past year's work, said that it had been one of the most successful years he association has yet experienced.

He said that the most important needs were the development of denominational autonomy and responsibility, inational autonomy and responsibility.

"The year closed has been characterized by rapid expansion both in the variety and volume of our work," he asserted. "The attendance at the gymnasium classes in 1920 was 12,872. During 1921, 21,372 ing 1921, 21,372 took advantage of the facilities.

must pause to overtake our responsiship has also changed, so that a very locate positions for many men who were

might be termed under-privileged.

Boys' Classes Increase. "There has been a healthy growth in organized boys' classes in the churches during the year. There are now 26 Trail Ranger groups and 24 Tuxls squares. The Y. M. C. A., representing the united laymen of the churches, can undertake amittees no more important work than to foster

association there has been a rapid to the continued. The growth of the boys' membership association there has been a rapid to the continued. The slacking of work in the factories were ust pause to overtake our responsibility, for the boys within our memberip. The character of the memberity was possible to carry on. But has reduced the number of shop meetings it was possible to carry on. But has reduced the number to carry on. But has reduced the same conditions have taxed us to direction should be used."

In closing he poid the united States. We there or the continued the totake these critical Every charge should be honestly investigated, as they contain of helpful surface.

The of immigration has brought us a new boys task. Approximately 393 'new Canawork now before us is to put our boys' task. Approximately 393 'new Canaprogram into more perfect working order, and adapt it completely to this order, and adapt it completely to the type of boy. Intensification rather than expansion should be our motto for the

years. We have drawn some valuable information from them, although the criticisms have been directed to injure tinue to take these criticisms to heart. Every charge should be carefully and honestly investigated, and whatever they contain of helpful suggestions or

In closing he paid eloquent tribute to the Women's Auxiliary, the press, the spirit of the citizens in helping the association, the St. George's Society, Manx Society, Sons of England, St. Andrew's Society, the ministers of the Protestant churches the Rotary and Street Baptist Church gave a report on
