strongly object to our country being overrun by a purely Asiatic people. They can
never come further east than British Columbia on account of the climate. Our climate is mild and humid and suits them.
But the Eastern provinces will never be
cursed with them. The hon, member for
South Simcoe (Mr. Lennox) need not fear
that the Chinese will work on the eastern
section because the country is too cold
for them. They will remain in the West
and swarm around our end of the line. I
think the House can judge which is right
in this matter.
