## FIRST GAME OF LEAGUE SERIES

Will be Played Here Wednesday Evening, Good Hockey Sure.

The first game in the N. B. Hockey League series will be played here Wednesday night, when the Campbellton Vets cross sticks with the Fredericton team. There is not a doubt that this will be a most exciting game as both teams are out to win and both are acknowledged to be in fine shape. It is hoped that a big crowd will witness this the first game and root royally for the Vets. Here's hoping they win.

Mathews Friday and Saturday at Opera House this week. Full particulars elsewhere in this issue. Wind up Christmas Day at the Opera House. Everybody will be in good spirits at there's a picture there (built for laughing purposes only) to put the proper closing touch to the day.

**GOLDEN WEDDING.**  
Mr. and Mrs. William Corbett, Sr., celebrated their fiftieth anniversary on Monday, December 13th, 1920. Mr. and Mrs. Corbett were married at Inverness, Scotland, on December 13th, 1870, and came to Canada about thirty-five years ago. Both Mr. and Mrs. Corbett are enjoying good health, and received hearty congratulations from their friends. Their family consisted of twelve children, seven of the children being born in Scotland and five in Canada. Two of the children while young died in Scotland. Richard when a young man died in Newcastle and James was killed, "Somewhere in France," during the Great War. Eight of the children are still living as well as twelve grandchildren.

**MARKET LOW.**  
There is no bottom to the potato market anywhere. In Arrostook the price prevailing price is \$1.50 to \$1.75 a bushel. The price is as low as \$0.50 along the St. John river. The big markets are so low and freight rates so high that no price above \$1.50 is warranted in Arrostook.

## INLAND DEPT. IS NOW ACTIVE

Charges Laid Against Five Offenders for Making Moonshine.

For a considerable time it has been suspected that much moonshine whiskey and strong beer was being distilled in the lower end of the county, but it was not until special officers of the Inland Revenue Department investigated that results were shown.

Mr. D. J. Kearny, Inland Revenue Officer, of Montreal, arrived in Jacquet River on Dec. 16th, and lost no time in picking up under arrest four men, Albert Pitre, John Roy, Duncan Roy and Albert P. Dempsey, whom he frisked with illicit distilling. The four pleaded guilty to the charges before Police Magistrate McAllister, who imposed upon each of them a fine of \$200 and costs, or two months in jail.

On the 18th the Inland Revenue Officer had John Newel before the Police Magistrate charged with a similar offence. He was also fined \$200 and costs or two months in jail.

## HONOUR ROLL WAS UNVEILED

Interesting and Impressive Service at St. Andrew's Church.

Both services on Sunday last, in St. Andrew's Church, were conducted by the Reverend Principal Mackinnon of Halifax Theological College, who delivered two sermons of unusual high order. The evening service was made the occasion of unveiling the Honour Roll of the congregation. So great was the desire to be present on this occasion that all were unable to gain admittance. The service opened with "The Reformation" by the choir, rendered in a most pleasing manner. When the offering was received and Mrs. Hugh Miller had sang "Shadows," Rev. Mr. Miller asked Mr. Archibald McKenzie to unveil the tablet, which was followed by the dedicatory prayer by Principal Mackinnon and the National Anthem by the choir and congregation. In his address the Principal pointed out the fitness and necessity for such a memorial and the lessons that the service and sacrifice of those whose names are engraved on it impress on our country today. The tablet is of bronze, weighing almost two hundred pounds, of beautiful workmanship and design, containing one hundred and twenty-six names in raised, burnished letters. Twenty-three of the above were either killed in action or died of wounds, the former marked by a cross, the latter by a dash. At the head of the tablet are the flags of the allies in color, held in place by the insignia of the Presbyterian Church, the burning bush. Many of the members of the G. W. V. A. attended in a body and occupied seats in the centre of the church. After the benediction, the congregation remained standing while The Dead March in Saul was played by Miss McIntosh.

It was fitting that Principal Mackinnon was present on this occasion as he spent several years in the G. W. V. A. Chaplain, rendering conspicuous services to the men at the front and also by addressing audiences in England, Scotland and on the continent, both in the pulpits and on the platform. The service was of an impressive and solemn nature leaving a deep impression on the worshippers. The congregation was to be congratulated on erecting this tablet to commemorate the service and sacrifice of its boys. It hangs on the right wall in easy view of the entire congregation, where it will remain calling the worshippers to the heroic and sacrificial in life, and inspiring them of the price of freedom.

## AGRICULTURE IS FORGING AHEAD

Great Progress Being Made Is View of Experts.

St. John, Dec. 21—H. G. Sears, sales manager for the Albert Dickson Seed Co., Chicago, and son of Postmaster Sears, leaves for his home in Chicago this evening via Ottawa. He reports that while business is generally quiet it is improving daily, and on a much more cheerful note than while he says, "don't cry hard times, we all should preach optimism, economy and thrift and keep smiling."

While in the province this trip, Mr. Sears met and discussed agricultural and successful farming methods with Hon. D. W. Mosherau, Minister of Agriculture; Wilfred Boulter, Secretary of Agriculture, P. E. I.; S. J. Moore, Government Seed Expert at Truro; O. C. Hicks, N. B. Department of Agriculture, and W. W. Hubbard, Superintendent of the N. B. Experimental Farms at Fredericton, and J. D. McKenna, of the Maritime Farmer, Sussex. It is their general opinion that agriculture is forging ahead very rapidly in the right direction in the provinces, and all look forward to much greater development in the near future, which spells success.

Last year farm seeds reached the highest prices on record. This resulted in curtailment of seeding operations. However, seeds are now back to a pre war basis, so that present indications point to a large acreage of clover and timothy being sown this coming spring.

Usual evening shows both days at 7.30 and 9.00 p.m. Usual prices—Children 15c. Adults 25c.

## PROPOSED HYDRO LIGHT AND POWER PLANT IN MADAWASKA COUNTY

St. John, N. B. Dec. 22—On behalf of the Madawaska Light and Power Company, Ltd., Dr. J. A. Giv made application to the New Brunswick Public Utilities Commission here this morning for approval of a proposed issue of stock intended to cover the establishment of a hydro light and power plant in the Green Head-Madawaska County. If the necessary approval of the plant next summer. A hearing was set for January 19 at 10.30 a.m.

Special Xmas Matinee Saturday Afternoon at 2.30 p.m. Prices accordingly increased—Children 10c. Adults 20c.

## THE PROVINCIAL BANK OF CANADA

Distributors of Calendars by Any It's Savings Department. Here.

Following a custom established many years ago, The Provincial Bank of Canada will, this year again, present a very nice calendar to its customers and friends.

Although this calendar is distributed to all, it is especially intended for the customers of the Savings Department. In fact, a policy of special attention to this department has recently been inaugurated. Every depositor now coming to the Bank is given a small card expressing the appreciation of the Directors for the patronage granted and soliciting the influence of every one towards inducing their friends to open a savings account with the Bank.

The Provincial Bank of Canada since its foundation in 1900, has always taken particular care of its Savings Department. Great facilities as well as efficient protection have always been given to depositors.

Deposits of all sums are accepted, and in order to fully accommodate every one, the smallest sums are accepted; even \$1.00 is sufficient to open an account. All these deposit balances, however small they may be, carry interest at the rate of 3% per annum payable on June 30th and December 31st of each year. All deposits received by this Bank are redeemable and may be paid on demand.

This bank is the only one in Canada having established for the control of its Savings Department a Committee of Censors who examine monthly the investments made in connection with the savings Department. This Committee is actually composed of the following gentlemen:

President—Hon. Sir Alex. Lacoste, K. C., ex-Chief Justice, Province of Quebec; Vice-President: Hon. N. B. Macdonald, N. P. Minister without Portfolio in the Quebec Government; Mr. S. J. B. Rolland, President Rolland Paper Co.

A system of this sort has been experienced for years in Europe and especially in large French banking institutions and also in Scotland. The good results obtained have served to strengthen the confidence of the public in such methods. An evident proof of this confidence was recently given by the Directors when The Provincial Bank of Canada, in January, 1919 and May, 1920, offered to the public two stock issues of ONE MILLION DOLLARS each. These stock issues in a very short time were over-subscribed, and a great number of demands for new shares of the Bank had to be refused on account of those available having been disposed of so quickly.

Although it is only 20 years since the Provincial Bank of Canada has been in operation, its total assets amount to \$40,000,000; its capital and reserve fund are now \$1,300,000. Its organization is completed by a chain of 110 branches of which 15 are situated in Montreal.

The Board of Directors is actually composed of the following gentlemen: President: Hon. Sir Hormidas LaPorte, P. C., ex-Mayor of Montreal, Director of Canadian National Railway; Vice-President: Mr. W. F. Carleton; Vice-President: Mr. Tancred Bienvenue, Director Lake of the Woods Milling Co.; Director Credit Foncier Franco-Canadien; Mr. G. M. Bowditch, President Canadian Pacific Ocean Services, Ltd.; Mr. L. J. O. Beauchemin, President Abitibi-Bouchette Lumber; Mr. Martin Chevalier, General Manager Credit Foncier Franco-Canadien; Hon. Nemese Garneau, C. L., Quebec, ex-Minister of Agriculture.

As may be seen the members of the

## DON'T KNOCK BE A BOOSTER

New Company Will Help Build Up Campbellton

Some busy-bodies desiring to "knock" the New Brunswick Under-privileged petition asking that the permit granted by the Council to the Imperial Oil Limited be revoked because the establishment of the said plant here would increase the fire insurance rate of the locality.

Fortunately before going on with the petition it was thought best to write the New Brunswick Under-privileged writers, and the reply was received that the establishment if built according to regulations would in no way affect the insurance rates.

No doubt those interested among which was a councillor, are disappointed. This establishment is the first which has offered to come here in recent years and it does seem too bad that some near sighted individuals would talk and work against it. It has been just such action upon the part of a few which has kept Campbellton back in the past.

The Imperial Oil Ltd. plan to spend \$75,000 here and the new plant will give permanent employment to at least some additional men. Why not boost it instead of knock.

## CANADA NOW HAS A NAVY

Gift Ships Received Tuesday From Great Britain.

HALIFAX, N. S., Dec. 21—H. M. G. S. Aurora, Patriot and Patricia, the cruiser and two destroyers presented to Canada by Great Britain, arrived off the harbor at dawn this morning and anchored off the dock yard shortly after eight o'clock.

On the stroke of eight the ships were "dressed" and the opening gun of a salute of twenty-one guns boomed out from the citadel.

## ACT TO REGULATE CIVIL SERVICE IN NEW BRUNSWICK BEING PREPARED

Fredericton, Dec. 22—An act to regulate the civil service of the province of New Brunswick is being prepared for submission to the legislature at its next session.

For some time the Civil Servants' Association have been negotiating with the provincial government on the question, and have urged that this province should have an act regulating the civil the same as other provinces.

Recently the Association was advised by the government to have a bill prepared for submission to the Legislature and this is now being done by the executive of the Association. It is understood that provisions will be made for classification of all the civil servants and a plan for reappointment promotion in such a manner as to improve the efficiency of the service.

Board of Directors of The Provincial Bank of Canada and also the members of the Board of Control for the Savings Department are all very favorably known in public affairs. One must not therefore be surprised of the remarkable progress of the Bank since its foundation.
