Bath Farmer Gets Into Costly Trouble

by Dishenesty.

From The Believite Outerle, June 11.

Professor James Whitton, cheese instructor under the Eastern Ontario Dairymen's Association, is an energetic officer and can detect a case of fraud on the part of a patron as a case of fraud on the part of a patron as quickly as he can point out a bad cheese in the drying-room. At the last session of the Legislature an act was passed to protect honest dairymen, and the dishonest ones will have to stand from under. The Professor visited Bath last week and found that one of the patrons there—a rich farmer—was sending skimmed milk to the factory. In the evening he drove to the farmer's house and saw the cows milked and on testing the milk discovered that one-half the cream had been removed from the morning's milk. An information was laid before W. N. Deller, J.P., Napanee, and the case was to come up for trial on Saturday, but in the meantine the dishonest dairyman went to the inspector and a acknowledged that his wife had been skimming the milk. He paid the expenses of the inspector and the court costs, amounting to \$32.95, which may prove a practical illustration of the old maxim—honesty is the best policy.

oolicy.
In conversation with Mr. Whitton an On-In conversation with Mr. Whitton an Ontario reporter was informed that at nearly every factory one or two and sometimes a larger number of patrons send adulterated or skimmed milk. The first factory he visited this spring two such cases were discovered and reported to the president of the factory, but he did not wish to prosecute. Mr. Whitton has found out since that under the act he as power to prosecute all offenders and he intends doing so.

We believe that you would be perfectly safe—the Army & Navy Stores, though the youngest establishment of the kind in Toronto, have taken the first place, and thousands of people in this city are now dealing exclusively with the Army & Navy. We would especially commend their unterable serge suits from one dollar and upwards. The stores are at 135 King street east and 138 Yonge-street.

Carlyle Called to Order in th Executive Committee.

The Executive Committee met yesterday afternoos, present Ald. McMillan (chairman). Fleming, Harvie, Galbrath, Gilk-spie, Denison, Roaf, Johnston and Carlyle (St. Thomas). A discussion arose on the resolution in council directing the Executive Committee to prepare a bylaw submitting the question of purchasing the Zoo at a figure of \$5000 to the cooks. Ald Flamming attacked Ald Carlyle.

and the bonus clause struck out on the vote of Ald. Galbraith, Carlyle, Johnston and Gillespie. After further discussion it was determined to allow the clause go on to the Council without alteration, Mr. Kimber's long service of 17 years being field to entitle him to this small recognition on the part of the Council. Ald, Gillespie moved that the bylaw submitting the sum of \$35,000 for the construction of the Dipsomaniac Asylum to the people be sent on to the Council with the committee's recommendation. The chairman read a letter from the City Solicitor stating that the legislation affecting this matter was very vague. In the face of the City Solicitor's letter Ald. Gillespie did not press the motion. JOHN ROSS WINS.
