FACTS

CONCERNING THE POPULAR

Ontario Agricultural College,

Messrs. W. Bell & Co., Guelph, Ont.: Dear Sirs:--Pianoforte Style B, purchased from you last September, has, I am very pleased to be able to say, given us every satisfaction. The tone is particularly good, so much so that the instrument is a favorite with all who have tried it, and I can assure you it has been tested by a number of very excellent judges. The style of the instrument and finish of the workmanship would do credit to any country. It should be a matter of congratulation to Canadians to know that our country produces an instrument that, I am satisfied, will compare very favorably with those produced in any part of the world.

Yours truly, THOMAS SHAW. Professor of Agriculture.
