PRESENTATION.

On Tuesday evening, August 27, the choir of the Baptist church met at the home of Mr. Thompson, Warwick st., and presented his daughter, Miss Winnifred, with a beautiful chair and the following address:—

MISS WINNIFRED THOMPSON
Dear Friend—We the members of the Watford Baptist Church choir have met here tonight to wish you God speed in the new life you are about to enter. We have enjoyed your company and help and we have known you long enough to have a very high esteem for you on account of the kindly and sunny helpful disposition you have always shown. We do not feel we can let you leave the parental home without giving you a small token of our esteem. You will please accept this chair not for its intrinsic value, but as a simple appreciation and love for you and we hope that in the coming days it may remind you of Watford faces and friends who would retain a place among those you cherish as friends. May you live long enough to have it repaired many times. May you enjoy its use and may you spend many happy hours resting, reclining and conversing in it. Our prayer is that God's richest blessing may ever make your pathway bright and that success may ever attend your services for your Saviour.
Watford, Aug. 27th, 1907.

Mr. Thompson in a few suitable words thanked the choir in behalf of his daughter for their kindly expression.
