

HEALTH RESTORED!!

HOLLOWAY'S PILLS.

Surprising Cure of a confirmed Asthma, after five years' suffering. The following testimonial has been sent to Professor Holloway, by a gentleman named Middleton, of Scotland road, Liverpool.

SIR,—Your Pills have been the means, under Providence, of restoring me to sound health, after five years' distressing affliction. During the whole of that period, I suffered the most dreadful attacks of Asthma, frequently of several weeks' duration, attended with a violent cough, and continual spitting of phlegm, sometimes with blood. This so shook my constitution, that I was unfit for any of the duties of my life. I was attended by some of the most eminent medical men of Liverpool, but they failed to give me the slightest relief. As I had frequently tried your Pills, and in about five months they effected a perfect cure of the cough, I then ordered the cough, and restored me to my former vigour in the chest and the rest of my system. I am, Sir, your obedient servant.

(Signed) H. MIDDLETON.

A Permanent Cure of a Disordered Liver, of many years' duration. Copy of a letter from Sir James G. Gordon, Bart., to Professor Holloway.

Dear Sir,—In the last of your Pills, I command a more extensive sale than any other proprietary medicine in the world. It is a good thing that your Pills are so well known, and that they are so generally used. I have been suffering from a disordered liver for many years, and have tried every remedy that has been recommended to me. I have been attended by some of the most eminent medical men of the country, but they have failed to give me the slightest relief. As I had frequently tried your Pills, and in about five months they effected a perfect cure of the cough, I then ordered the cough, and restored me to my former vigour in the chest and the rest of my system. I am, Sir, your obedient servant.

An astonishing Cure of Chronic Rheumatism, after being discharged from the Hospital. Copy of a letter from Mr. W. Moore, of the Square, Winchester.

To Professor Holloway.

SIR,—I beg to inform you that, for years I was a sufferer from Chronic Rheumatism, and was discharged from the Hospital. I have been suffering from a disordered liver for many years, and have tried every remedy that has been recommended to me. I have been attended by some of the most eminent medical men of the country, but they have failed to give me the slightest relief. As I had frequently tried your Pills, and in about five months they effected a perfect cure of the cough, I then ordered the cough, and restored me to my former vigour in the chest and the rest of my system. I am, Sir, your obedient servant.

I am, Sir, your obedient servant.

An extraordinary Cure of Dropsy, after suffering for eighteen months. Copy of a letter from Mr. C. Briggs, Chemist, Gloucester, dated February 15th, 1853.

To Professor Holloway.

SIR,—I have much pleasure in informing you of a most surprising cure of Dropsy recently effected by your valuable medicines. Captain Jackson of this place was afflicted with Dropsy for upwards of eighteen months, to such an extent that he could not walk, and his limbs were so much swollen, and his body was so much enlarged, that he was unable to move. He was attended by some of the most eminent medical men of the country, but they have failed to give me the slightest relief. As I had frequently tried your Pills, and in about five months they effected a perfect cure of the cough, I then ordered the cough, and restored me to my former vigour in the chest and the rest of my system. I am, Sir, your obedient servant.

I am, Sir, your obedient servant.

(Signed) G. BRIGGS.
