

SAMUEL DE CHAMPLAIN

gave his Sonne to Monsieur du Pont to carrye him into France, and he was much recommended vnto him by the Great Sagamo Anadabijou, praying him to vse him well, and to let him see that, which the other two Sauages had seene which we had brought backe againe. We prayed them to giue vs a woman of the Irocois, whom they would haue eaten: whom they gave vnto vs, and we brought her home with the fore-said Sauage. Monsieur de Preuert in like manner brought home foure Sauages, one man which is of the South Coast,³ one woman and two children of the Canadians.

The four and twentieth of August, we departed from Gachepay, the ship of the said Monsieur Preuert and ours. The second of September, we counted that wee were as farre as Cape Rase. The fift day of the said moneth we entred vpon the Banke, whereon they vse to fish. The sixteenth, we were come into the Sounding, which may be some fiftie leagues distant from the Ushant. The twentieth of the said moneth we arriued in New Haven⁴ by the grace of God to all our contentments, with a continuall fauourable wind.
