A THIRD PENTECOSTAL REVIVAL AMONG THE TELUGU.— News has just reached us that in February, at Cumbum, a station in the American Baptist Mission, 2,847 converts were baptized. Surely there is great cause for thanksgiving and encouragement.

We welcome a new missionary paper, the first copy of which is just hand. It is published by the Missionary Board of the Toronto Medical Students' Y.M.C.A. Subscription, 25 cents. Address *Medical Missionary*, 212 Carl ton St., Toronto.

THOSE THANK-OFFERING MEETINGS. Some of our sisters have had the impression that a much larger amount had already been raised by these meetings than actually has been. We notice from Miss Elliot's report that the amount up to April 17th is \$441.38. So there is still room and urgent necessity for us to put forth earnest effort. Not by any means all of the Circles have yet held thank offering meetings. We hope to hear from many more yet.

Minutes of Board Meeting, April 16th

The quarterly meeting of the Board of the W.F.M.S. was held at 2 p.m. on Thursday, April 16th. There were twenty-two ladies present. Reports were received from the Treasurer, and from the lady missionaries in India. Mrs. Froeland read an extract from a letter of Mr. Laflamme's, thanking the Board for kindly wishes expressed toward himself and Mrs. Laflamme.

The President and the Corresponding and Recording Secretaries, with Mrs. Newman and Miss West, were appointed a committee to arrange for the annual meeting. Much of the time was taken up in the careful consideration of the report of the committee on the revision of the Constitution. The revised Constitution as recommended by them was approved by the Board, with a few slight changes.

The Indian Mission.

A pioneer missionary for the North West Indians has been appointed. He, William Prince, is an educated Indian. Can speak English, French, Chippeway, and all the Cree dialects. He was a teacher in an Episcopal school for twenty-two years, but became Baptist from the study of the Bible. He was baptized in the Rupert St. church, Winnipeg, and received into fellowship in the early part of March last. He is very successful as an evangelist, and quite a number have been converted through his instrumentality. One of the reserves on Lake Winnipeg will be his headquarters, and he will go among the surrounding tribes preaching the gospel.
