

The Johnson Corrugated Steel Bar FOR RE-INFORCED CONCRETE

All official tests and juries have given **Corrugated Steel Bars First Place**. Additional cost per pound more than other types, yes, but a **fraction of one per cent only on total cost of structure**. Why take chances with inferior forms of reinforcement when the use of Corrugated Bars insures perfect bonding and permanency of structure?

The **CORRUGATED STEEL BAR CO. OF CANADA, Ltd.**
CORISTINE BUILDING, MONTREAL.

PLEASE bear our publication in mind at ALL times and send us news—news of the commencement, progress or the completion of work; news of contracts to be let; personal items telling of the promotion or transfer of engineers and contractors.
