THOMAS COSTEN,

BREEDER OF PREMIUM STOCK

L. Brahmas, P. Rocks and Scotch Greys,

133 St. James Street, Montreal, P. Q., Canada.

In my Breeding Pen of Light Brahmas are Hens and Pullets from the celebrated "Duke of York strain," noted for their size and excellent laying qualities, mated with cock "Lord Dufferin;" he took 2nd premium at Montreal, 1890, and was pointed out by the Judge as having the model comb of L. B. class; at the late show my L. Brahmas won: 1st, fowls, and 2nd, chicks. At Sherbrooke show: fowls, 1st and 3rd; chicks, 2nd, beating those that took 1st at Brantford.

My Plymouth Rocks are composed of Upham, Britton, and Fullerton strains, names that are a guarantee in themselves for the purity of the stock. Of the latter strain I secured the choice of the yards, twelve birds, nearly all prize winners at best Canadian shows, and noted breeders. I entered but two pens at the Montreal show, 1890, one of fowls and one of chicks, and took TWO FIRST PREMIUMS and FOUR SPECIALS.

My Scotch Greys were imported in December last, from the Right Honorable John Hubbard, England, the most noted breeder of this valuable variety. They are greatly valued in England for their beauty and utility, and cannot but become popular in America. My birds are first-class in every particular. They were awarded 1st premium at Sherbrooke show.

EGGS from above varieties, \$2.50 per 13, or \$4.00 per 26, securely packed and guaranteed fresh.
