

# A "Martin-Orme"

## Every "Martin-Orme" Owner

can point with pride to his purchase and takes considerable delight in doing so to his closest friends.

And this is due to the ability of the Martin-Orme to live up to every representation the Martin-Orme dealer is enabled to make to every purchaser—representations he is enabled to make because of the exclusive features of construction that put the Martin-Orme in a class by itself.

Therefore every Martin-Orme owner is an enthusiastic booster for Martin-Orme instruments and Martin-Orme dealers.

This is one reason you find Martin-Orme dealers among the most successful.
