

We Want One Representative

In Every City and Town in Canada

TO FURNISH us each month with a news letter of local musical events, the doings of musicians and happenings in the music trades; and to receive subscriptions to the

CANADIAN MUSIC ^{A N D} TRADES JOURNAL

We will pay liberal commissions to those who will work for us. We prefer musicians, teachers or pupils, or those interested in the advancement of music education. The work is light, it is instructive and can be done without interfering with regular duties. The

CANADIAN MUSIC ^{A N D} TRADES JOURNAL

has recently changed hands, this being the first issue under the new management. The journal will be improved each month; it will be larger, more instructive and more interesting.

THE PRICE REMAINS AT \$1.00
PER YEAR, IN ADVANCE

Applicants must give the names of two reputable business men in their locality, otherwise they cannot expect to hear from us.

We will give the agency to *only one person* in each town, but other arrangements *may be* made for the cities. Apply at once.
