WE are headquarters in everything else we undertake.

We wish to sell you Sundries because we know we can give you a better value than can be obtained elsewhere.

We wish also that the trade would correspond with us, because we know we can make it exceedingly interesting.

Come now, gentlemen, isn't it fair to suppose that you can do better with the actual manufacturers than with the *so-called* manufacturers, who have no factory of their own, but are obliged to contract for the making of their wares?

LIBERAL EXPORT DISCOUNTS

We are always pleased to send our Catalogue to all applicants.
