

The Pill that Will.

"The pill that will," implies the pills that won't. Their name is legion. The name of "the pill that will" is Ayer's Cathartic Pill. It is a pill to rely on. Properly used it will cure constipation, biliousness, sick headache, and the other ills that result from torpid liver. Ayer's pills are not designed to spur the liver into a momentary activity, leaving it in yet more incapable condition after the immediate effect is past. They are compounded with the purpose of toning up the entire system, removing the obstructing conditions, and putting the liver into proper relations with the rest of the organs for natural co-operation. The record of Ayer's Pills during the half century they have been in public use establishes their great and permanent value in all liver affections.

How Old are You?

You need not answer the question, madam, for in your case age is not counted by years. It will always be true that "a woman is as old as she looks." Nothing sets the seal of age so deeply upon woman's beauty as gray hair. It is natural, therefore, that every woman is anxious to preserve her hair in all its original abundance and beauty; or, that being denied the crowning gift of beautiful hair, she longs to possess it. Nothing is easier than to attain to this gift or to preserve it, if already possessed. Ayer's Hair Vigor restores gray or faded hair to its original color. It does this by simply aiding nature, by supplying the nutrition necessary to health and growth. There is no better preparation for the hair than

AYER'S HAIR VIGOR.
