dition than those that went before. His
last attack confined him to bed for three
months, and his heart was dangerously
affected. His sufferings were terrible, and
it was pitiful to see him trying to carry
food to his mouth. His nervous system
was so shattered that a form of St. Vitus'
dance had affected him, and his hand and
arm trembled so that he could not feed or
aid himself. Some friends advised me to
try Dr. Williams' Pink Pills and recom-
mended them so highly that my husband
and myself decided to try them. We gave
them to Harry for several months and when
the spring came watched anxiously, fearing
a return of the trouble, but were thankful
and delighted to see no symptoms of it, nor
has he been troubled for the past three
years. "What is the condition of his
health at present?" asked the reporter.
"He is as sturdy and as healthy a boy as
parents could wish for. I attribute his
recovery and present health to nothing
but Pink Pills, and I cheerfully recom-
mend them to all."

Rheumatism, sciatica, neuralgia, partial
paralysis, locomotor ataxia, nervous head-
ache, nervous prostration, and diseases de-
pending upon humors in the blood, such as
scrofula, chronic erysipelas, etc., all dis-
appear before a fair treatment with Dr.
Williams' Pink Pills. They give a healthy
glow to the pale and sallow complexions.
Sold by all dealers and post paid at 50c. a
box, or six boxes for \$2.50, by addressing
the Dr. Williams Medicine Co., Brockville,
Ont. Do not be persuaded to take some
substitute.

bury.

SHERWOOD RECITAL.

The plan for the Wm. H. Sherwood recital
opened at Gourlay, Winter & Loeming's
warehouses Monday last. The subscription
list indicates that a full house will greet
Mr. Sherwood on his annual visit. As some
of our readers may not have heard this
delightful pianist, we quote the following
criticism from the Pittsburgh *Chronicle Tele-
graph* - "For fully two hours the appre-
ciative audience remained breathless and
spellbound at the masterly exposition of the
great masters. Mr. Sherwood is not only
the finest pianist America has ever produced
but he is doing and has done more for the
elevation and interests of the art of piano
playing and its students and votaries than
any man living." On the present occasion

Mr. Sherwood is being supported by Miss
Amy Robsart Jaffray, a mezzo-soprano of
beautiful quality, possessing a pathos that
infiltrates the charming lady in one's hearts
immediately. Speaking of her appearance
at Chicago the *Musical Times* says: "The
interpretation of her numbers, Meyerbeer's
Aria, Lieta Signor, and Luckstone's Valse
Delite, were greeted with an applause verg-
ing on an ovation."
