PRESBYTERY OF TORONTO.

This Presbytery met on the 6th ult. A call from Streetsville was put into the hands of the Rev. W. Lundy, who craved time to consider it. Reports were presented as to the dispensation of the Lord's Supper in several congregations and mission stations. Applications from several stations for supply of missionary service were received and handed to the Presbytery's Home Mission Committee. Mr. John Thompson, after passing the usual trials in a very satisfactory manner, was licensed to preach the Gospel. Mr. Thompson, for whom several call were being prepared, has accepted the position of teacher of mathematics in Morin College, Quebec.

PRESBYTERY OF COBOURG.

The Presbytery of Cobourg met at Bowmanston, on the 22nd Sep. The committee appointed to confer with the petitioners for a separate congregation at Port Hope reported. The result of the conference was that "The committee felt at one on the improbability of anything like a reconciliation." By a vote of eight to three it was agreed that the circumstances did not warrant the Presbytery in establishing a second congregation in Port Hope. Against this decision Mr. Andrews protested, and appealed to the synod. The moderator, Rev. J. Ewing, joined in the protest.

Mr. Scott's resignation of the charge of Perrytown and Oakhills, was allowed to lie over until next meeting.

The students within the bounds were examined, and arrangements were made for holding missionary meetings throughout the bounds.

PRESBYTERY OF KINGSTON.

The Presbytery of of Kingston met on the 6th ult. The Home Mission business engrossed to a large extent the time and attention of the Presbytery. The report as to the Home Mission work of the Presbytery was of an encouraging character, the only thing unpleasant being the failure of some of the stations to assist the Presbytery as they might in bearing the expense. In connection with the Home Mission Report, Mr. W. Campbell, elder, Madoc, was highly commended for his labours as a catechist in Huntingdon. Arrangements were made for the supply of the mission stations, and also for holding missionary meetings in all the congregations during the winter.

Messrs. E. Reeves, and Hubbert, students, were examined and certified for their several classes in Knox College. Mr. W. Reeves also underwent a lengthened examination and delivered with approbation several exercises previously prescribed.
