

Are You Paid Up for Grip ?

ELECTRO-THERAPEUTIC INSTITUTION AND SANITARIUM

231 Jarvis Street, Toronto

PROFESSOR VERNOY, Specialist in Electro-Therapy

Commenced the practice in 1869, and since 1876 in Toronto, treating **Nervous, Obscure, Chronic and Acute Diseases**, and more especially the diseases not successfully treated by others. Through our advanced system of electro-curapathy, aided with our improved Electro-Medical Batteries, in harmony with nature's laws, we naturally utilize the most potent and effective agent in the world, yet discovered, for the cure of disease, and thus used it is agreeable and soothing to the whole nervous system, producing most extraordinary cures by the radical changes made in the diseased conditions, such as have been reported at various times in the *Mail*, the *Globe* and other city papers, given to the reporters by those cured for the benefit of their fellow-sufferers, urging its publicity, as in the case of Mrs. Thompson, of St. Catharines, and Miss Vandewater, of Kingston, and others, who were cured of spinal curvature and serious internal troubles; anyone is at liberty to call and see how well and straight they are now, or may write to them. Others, through them similarly afflicted, have come for treatment, and were cured, and still others are now being cured of various diseases, who may (through their own wishes only) be interviewed at our Institution and those cured at their homes. However wonderful these cures may seem, diseases of various kinds that fail to be cured by other means yield kindly to this potent agent, when properly applied, without shocks. Anyone doubtful can easily be convinced by consulting those cured.

See copy of "The Electric Age."

Oxone and Oxygen liberated from the air and water transferred in their natural purity into the circulation by a new invention in the use of electricity, producing marvellous results in the cure of disease, forming red globules and destroying disease germs.

MR. SWALWELL, OF SAMSON, KENNEDY & CO., SPEAKS.

TORONTO, April 23, 1892.

DEAR DR. VERNOY,

To-day I write you out of sheer exuberance of good spirits, perfect health, and thankfulness. I have not enjoyed such good health for years—your Family Battery has indeed been a great treasure. When I return home from a trip feeling out of sorts, I take a warm bath, then have half an hour's solid enjoyment with the Family Battery which has never yet failed to revive and strengthen me. The Battery and I have become warm friends. I require no doctor or medicine so long as I have my electric friend to go to. For twenty years I have not been free from rheumatism and kidney trouble. I have never enjoyed such health as I do to-day, and I am satisfied it is owing to the use of the Family Battery I got from you last fall. Wishing you every success. Yours truly,
TOM SWALWELL.
61 Borden St., Toronto.

ASTOUNDING CURE BY ELECTRICITY.

Mr. H. J. Walling, of Haliburton, Ont., says:—"I would not be without one of Prof. Vernoy's Batteries for all the money in the world, as it saved my life or from the asylum.

"I had my neck almost dislocated, so that my finger nails turned black at the time; it caused chronic congestion of the nape of the neck, which also brought on indigestion, torpidity of the liver, and general debility, which I thought would end in insanity.

"I used this improved battery according to directions, and did not use any medicine of any kind.

"Am now able to do a day's work, and do not feel afraid of my old trouble while I have this battery."—*Mail*.

PROPER ELECTRICITY CURES TIC-DOULOUREUX.

RENFREW, March 15, 1892.

PROF. VERNOY:

DEAR SIR,—I feel it my duty to you and the public at large, to let them know of the great benefit I have received from your electric treatment.

My case was a very peculiar one, and baffled the skill of a great many physicians. I have been a sufferer for fifteen years with a severe pain in my face, and in that time have tried everything, was treated by a great many physicians for neuralgia, and had all my teeth taken out to try and allay the pain, but could not get anything to do any good.

The last physician I had advised me to go to Dr. Galligan of this town to inject morphine to allay the pain, but the doctor objected, and advised me to go to Toronto and try your electric treatment, stating at the same time that his sister had been up to Toronto for your electric treatment after having spent one thousand dollars on other physicians who had done her no good, and after three weeks of your treatment was thoroughly cured.

I took Doctor Galligan's advice, and in three weeks was completely cured, have not been troubled with any pain since, and for which I am truly thankful.

My son also has received great benefit from your treatment. If the above should fall into the hands of some poor sufferer it might be the means of their cure by applying to you.
JOHN BRYDGE, SR.

SAVED HIS LIFE

NERVOUS EXHAUSTION, NEURALGIA, ETC.—A LOSS OF FORTY POUNDS OF FLESH.
September 10, 1886.

PROF. VERNOY

DEAR SIR,—I consider it my duty to you and to the public generally, to give a short history of my case. I found myself gradually failing physically, although my mental powers, so far as I or my friends could judge, remained intact and undisturbed. Soon I began to recognize the alarming fact that I was gradually sinking into the grave, having lost forty pounds of flesh in four months. I suffered severe neuralgia in one or both temples, shooting down into the shoulders occasionally, of the most excruciating character, accompanied by morbid sensations in my extremities. After other means had failed I thought I would try electricity, knowing it was a powerful remedial agent when cautiously and skillfully applied, and having ascertained that you were the most successful electro-therapist in Ontario, I thought I would, if possible, obtain your services, and you very kindly and promptly visited me, and proved on that occasion your complete mastery of nervous diseases. Through your instructions as to the applica-

tion of the battery, and from several treatments received at your office, after I was able to visit you, I am now in very good health.

I remain, as ever, thankfully yours,

L. D. CLOSSEN, M.D.

The above is a fair sample of the numerous letters received from people in various parts of the country who have been cured and now wish other "incurables" to know what this unique system of electrical treatment as practised by Prof. Vernoy can do for them.

No kind of Electric Belts, Insoles, Etc., used at all.

There is no substitute for proper electricity in certain diseases.

Dr. Apostoli, of Paris, whose reputation is world-wide, has latterly made a specialty of curing womb troubles with electricity. "chronic endo metritis," formerly considered incurable—but many other phases of diseases just as unyielding to the old system of treatment succumb to the electrical currents from Prof. Vernoy's Improved Machine. This system covers the whole ground—is sure and safe.

SLEEPLESSNESS AND OVER BRAIN WORK.

Rev. G. M. Milligan, pastor of Old St. Andrew's Presbyterian Church, Toronto, says:

384 Sherbourne Street.

PROF. VERNOY.

DEAR SIR,—By taking your treatment last fall I am happy to tell you that I began last winter's work well. I have not slept so soundly for years as I have done since the treatment, and never have I done my work with such comfort and energy as during the past year. The tonic and alterative effects of the electrical applications have been of so great benefit to me that I believe every person, whatever his health may be, would find himself benefited by a greater or less use of electricity. It is indispensable to the health of the nerves.

Very faithfully and truly yours,

GEO. M. MILLIGAN.

Be sure and save this or future reference, you or your friends may greatly need this in the near future if not now. It has saved multitudes and many an unfortunate one for only a trifling expense. As the boy who had never before used his legs, yet he was cured. Tumors in the breast, etc., cured, and surgical operations saved. Blood poison of the most serious nature has been speedily cured again and again. Inflammatory and other kinds of Rheumatism, and Sciatica—cured as a matter of course. Spinal Diseases, Head Troubles, Nervous Diseases, etc., etc., successfully treated, times innumerable. Price of Prof. Vernoy's Improved Family Battery (generally used in cases cited) is \$25.00 including necessary instruction.

Our Branch Institution at Kingston, Ont., is at 230 Princess Street, in charge of R. V. FURNELL, M.D.; and at the Columbian Hotel, One Thousand Island Park, N.Y.

The Jarvis Street Sanatorium, in connection with Prof. Vernoy's Electro-Therapeutic Institution, is a large block over a hundred feet frontage on Jarvis, extending through to the next street, with large lawn, shade and fruit trees; large and commodious rooms on first floor and above; pleasant dining-room to seat over fifty, affording a pleasant home for those seeking rest and health.

By the addition of this Sanatorium Prof. Vernoy will be prepared to care for many more indoor patients than formerly.—*The Mail*.
