**WHAT IS**

It is a most valuable preparation, restoring to gray hair its nat-  
ural color, making it soft and glossy and giving it an incompa-  
rable lustre. **ROBSON'S HAIR RESTORER** is far superior to  
ordinary hair dyes, for it does not stain the skin and is most  
easily applied. One of its most remarkable qualities is the pro-  
perty it possesses of preventing the falling out of the hair, promo-  
ting its growth and preserving its vitality. — Numerous and very  
flattering testimonials from well known **PHYSICIANS** and other  
citizens of good standing testify to the marvelous efficacy of  
**ROBSON'S HAIR RESTORER.** Lack of space allows us to re-  
produce only the two following:

Testimony of Dr. D. Marsolais,  
Lavaltrie.

I have used several bottles of Robson's Hair  
Restorer, and I cannot do otherwise than high-  
ly praise the merits of this excellent preparation.  
Owing to its use, the hair preserves its original  
color and in addition acquires an incomparable  
pliancy and lustre. What pleases me most in  
this Restorer is a smooth, oleaginous substance,  
eminently calculated to impart nourishment to  
the hair, preserve its vigor, and stimulate its  
growth, a substance which replaces the water  
used by the manufacturers of the greater part of  
the Restorers of the day from an economical  
point of view. This is a proof that the  
manufacturer of Robson's Restorer is above all  
anxious to produce an article of real value, re-  
gardless of the expense necessary to attain this  
end. It is with pleasure that I recommend  
Robson's Restorer in preference to all other pre-  
parations of that nature.

D. MARSOLAIS, M. D.

Lavaltrie, December 26th, 1885.

Testimony of Dr. G. Desrosiers,  
St. Félix de Valois.

I know several persons who have for some  
years used Robson's Hair Restorer and are  
very well satisfied with this preparation, which  
preserves the original color of the hair, as it was  
in youth, makes it surpassingly soft and glossy,  
and stimulates at the same time its growth.  
Knowing the principle ingredients of Robson's  
Restorer, I understand perfectly why this pre-  
paration is so superior to other similar prepa-  
rations. In fact the substance to which I allude  
is known to exercise in a high degree an emol-  
lient and softening influence on the hair. It is  
also highly nutritive for the hair, adapted to  
promote its growth, and to greatly prolong its  
vitality. I therefore confidently recommend the  
use of Robson's Hair Restorer to those persons  
whose hair is prematurely gray and who wish  
to remove this sign of approaching old age.
