Debentures for Sale.

The undersigned is prepared to receive offers for the purchase of

Debentures of Drainage
District No. 2.

in the Province of Manitoba, guaranteed by the Province, and issued under the provisions of "The Land Drainage Act," 1895, and amendments thereto, the whole issue amounting to about the sum of \$350,000.00, of which only \$200,000.00 may be sold at present; such debentures to be dated July 1st, 1899, payable in thirty years from the date of issue, and bear interest at the rate of four per cent. per annum, payable half-yearly.

All offers must be addressed to the undersigned, marked "Tender for Debentures," and must reach this office not later than the 20th day of July, 1899 and must state the rate per centum offered for the whole of the issue, or the \$200,000.00 worth, whether the debentures are desired in currency or sterling, the denomination or denominations (not more than two), and number of each desired, and at what place it is desired to have the debentures and interest made payable.

Delivery of, and payment for the debentures to be made in Winnipeg, on or about the 20th of August next. Coupons representing unearned interest to be paid for or detached.

D. H. McMILLAN,
Provincial Treasurer.

Provincial Treasurer's Office,
Winnipeg, Man., June 3rd, 1899.

G. P. MULLETT opened a hat and fur store at Lindsay in 1896. Had small means, no practical experience; made little headway, and now assigns owing about \$2,000.

SOMETIMES a merchant of small means can set up business alongside a big dealer in the same line and make a success of the venture. Wm. Chamberlain started in boots and shoes at Harriston and added & Co. to his sign, but the other fellow alongside was too strong a competitor and now Mr. Chamberlain has assigned.

WHEN a business is started one of the trader's first duties is that of placing a safe amount of insurance on one's chattels. A Havelock firm, Wilson & Copp, started a dry goods business there in March last with a \$5,000 stock. They were burnt out the other day; had \$2,500 insurance and were owing \$3,800. Now one of the partners is at Montreal consulting creditors as to what is to be done.
