NOTES.

- (a) Not good.
(b) Winning move; a fine combination.
(c) This and Black's next move are well played.
(d) Best; but White should have played 19. Kt x Kt P, and this move would have been unnecessary.
(e) R-K 4 is the better move.
(f) Decisive; many games are lost or drawn by allowing the Kt to remain at large.
(g) Best; keeping the extra P is the easiest way to win.

A PRETTY woman in society once complimented Balzac on his subtle acquaintance with women. "Yes" he said, smiling, "I know them, so that by just looking at one a moment, I can tell her whole history from the day she was born. Shall I tell you yours, madame?" "Oh, not out loud!" was the frightened madcap's answer, and every one had a laugh at her expense.

THE proper way to clean books is to take two of about the same size and strike their sides smartly together several times until all the dust is expelled; and not apply cloth, brush, or duster, under any circumstances, to the gilt or leather. If treated in this way, books will retain their original freshness for years. Books in cases without glass fronts retain their freshness longer than when put in closed cases. More dust will collect upon books exposed; but it is dust which comes off readily. When put behind glass doors, or in cupboards, less dust settles upon them, but in localities where soft coal is used, it is a fine sooty dust, which, when treated with a cloth, brush, or duster, acts like a black oily paint, discolours the leather and dulls the gilt. On books which are openly exposed, this sooty dust mixes with an innoxious and coarser dust and it all comes off together. These facts explain what seems at first paradoxical—that the more we try to keep books away from dust, and the more we clean them, the dirtier they become.

BANFF SPRINGS HOTEL.

A perfectly constructed Summer and Winter Hotel, costing a quarter of a million dollars, situated on the line of the Canadian Pacific Railway, near the summit of the Rocky Mountains in the Canadian National Park.

The house is electric lighted and has every comfort and convenience found in city hotels of the highest grade. The numerous hot sulphur springs in close proximity vary in temperature from 80 to 121 degrees, and perfect bathing facilities are supplied. Testimony to the wonderful curative properties of the waters is plentiful. A first-class livery of driving and saddle horses forms part of the establishment, and there are excellent roads and walks in all directions, built and maintained by the Government. The house is 5,000 feet above sea level and is surrounded by magnificent mountain peaks 5,000 to 8,000 feet high. In grandeur of scenery and purity of atmosphere the region is immeasurably superior to any similar health resort on the continent. The hotel rates are from \$3.50 a day upward, and special terms for longer time may be had by addressing GEORGE HOLLIDAY, Manager, Banff, Alberta, Canada. For further information and for excursion tickets, apply to any Canadian Pacific Ry. Ticket Office, or at 110 King Street West, Toronto.

Announcement Extraordinary.

Our having commissioned so distinguished an etcher as Rajon to etch a plate expressly for THE STUDIO, has created considerable comment and speculation as to the nature of the subject. The inquiries for information continue to pour in from all over the country and abroad. The interest shown in this distinguished artist's etching has been so widespread, and as the subject will be of such great importance, to create a sensation in this country and abroad when published, we have decided to print 500 India Proofs, before the etching is sold by subscription, when the price will be increased. A magnificent work of art is promised. Copies of THE STUDIO, complete, with Rajon etching, 50 cents each. Books are now open to receive advance orders. Order now to secure one.

The price for single numbers of THE STUDIO, complete, with all etchings, is 20 cents a copy, and can be supplied by all art, book, and newsdealers. Ask to see a copy. Address all communications to
