

CAPTIVE USE

Schedule 1 chemicals

Exeptions from the restriction on production of Schedule 1 chemicals are, for the very rare instances likely to arise, best made on a case by case basis.

Schedule 2 chemicals

The possibility of changing from a type 1 to a type 2 inspection is covered in the provisions of paragraph of Part VII of the Verification Annex.

Page 2, paragraph 2 (a):

- delete the word "and".

Page 5, Table of Contents:

- Article IV should read "amendments" (delete the words "and Changes").

Page 11, paragraph 10, last sentence:
