LEASE OF POST OFFICE BUILDING, LAC DU BONNET, MAN.

Question No. 293—**Mr. Slogan:**

1. Have tenders been called by the federal government for the leasing of a new post office building in the village of Lac du Bonnet, Manitoba and, if so, when were the tenders due?

2. What tenders were received and in what amounts?

3. Have any of the tenders been accepted and, if so, when does the government intend to move to the new premises?

Hon. Lucien Cardin (Minister of Public Works): 1. Yes. Tenders closed on February 9, 1965.

2. Two tenders were received as follows: 1,830 square feet at \$4,572 per annum from Lanark Construction; 1,780 square feet at \$4,200 per annum from Mrs. Sonia Gorenstein.

3. No.

CURBS ON CIGARETTE ADVERTISING

Question No. 309—**Mr. Orlikow:**

Is the government now considering curbs on cigarette advertising such as proposed by the Federal Trade Commission in the U.S., to wit (a) requiring every cigarette advertisement package and carton to contain a clear warning that cigarette smoking is dangerous to health (b) prohibiting any statement or implication in any cigarette advertisement that smoking promotes good health or physical well-being (c) preventing any advertisement asserting that one brand of cigarettes is less harmful to health than another, unless the advertiser has substantiated that claim in advance?

Hon. Judy V. LaMarsh (Minister of National Health and Welfare): As this is a matter of Government policy any announcement will be made by the Government at the appropriate time.

BREAKWATER REPAIRS, CAPSTICK, N.S.

Question No. 311—**Mr. Muir (Cape Breton North and Victoria):**

Is it the intention of the government to carry out breakwater repairs at Capstick, Victoria County, N.S., during the coming season and, if so, when will this work commence and what are the details of such repairs and, if not, for what reason?

Hon. Lucien Cardin (Minister of Public Works): Yes. Minor repairs are to be made to the approach and to the concrete deck. It is expected the work will be put under way the latter part of June.

POST OFFICE CONSTRUCTION, ST. JEAN PORT JOLI, QUE.

Question No. 317—**Mr. Ricard:**

Is it the intention of the Minister of Public Works to have a post office building constructed

at St. Jean Port Joli, in the County of L'Islet and, if so (a) when will the construction work begin (b) what are the names of the contractors who have submitted tenders (c) what is the amount of each tender (d) what was the purchase price of the land?

[Translation]

Hon. Lucien Cardin (Minister of Public Works): Yes.

(a) Construction is scheduled to begin this summer.

(b) Tenders have not yet been called.

(c) Not applicable.

(d) Negotiations are now under way for the purchase of a site at a cost of \$10,000.
