

*Time Allocation*

**Mr. Robinson (Burnaby):** Madam Speaker, I have no intention of withdrawing the statement I made.

**Some Hon. Members:** Oh, oh!

**Some Hon. Members:** Out!

**Mr. Robinson (Burnaby):** I believe what has taken place in this House is a travesty. If I did not know better, I would say that the Speaker was in cahoots with the Government to prevent this Party from putting its position—

**Some Hon. Members:** Hear, hear!

**Madam Speaker:** Order, please. For the last time, will the Hon. Member withdraw those words?

**Mr. Benjamin:** When is your last time?

**Mr. Robinson (Burnaby):** Madam Speaker, I chose my words with care. I will stand by those words and I hope that the Speaker might consider in the circumstances Citation 233 of Beauchesne and realize that the Minister had no business doing what he was doing and, in effect, is making a mockery of the processes of this House.

**Madam Speaker:** Order, please. Since I have warned the Hon. Member for the last time, I am afraid that I have to name the Hon. Member.

[Translation]

**Hon. Yvon Pinard (President of the Privy Council):** Madam Speaker, I move:

That the Hon. Member for Burnaby (Mr. Robinson) be expelled from the House for the remainder of this sitting.

[English]

**Madam Speaker:** The House has heard the terms of the motion. All those in favour of the motion will please say yea.

**Some Hon. Members:** Yea.

**Madam Speaker:** All those opposed will please say nay.

**Some Hon. Members:** Nay.

**Madam Speaker:** In my opinion the yeas have it.

*And more than five Members having risen:*

**Madam Speaker:** Call in the Members.

**Madam Speaker:** I declare the motion carried.

**Mr. Nielsen:** Madam Speaker, I rise on a point of order to express our very serious reservations about the events that occurred here today.

The Minister is right in what he did but we are still convinced that the time at which he did it is quite wrong. The integrity of this institution was at stake here. We could not support the juvenile and rude conduct of the Hon. Member for
