

THE WINDSOR HOTEL

MONTREAL

I must not take up your time, and I have written you about it because I know how valuable your time is, and a visit personally at this season and time might be out of place.

If you can accept the invitation, which I think has already been sent to you by dear old "Col. Bull Green" W.M. please do so, and give us the privilege of entertaining you.

With best wishes & thanks

Yours very faithfully
 Talbot M. M.
