Dear Lady Peterson,

I am enclosing a letter and account from Richard G. Badger, Boston, which was received at the end of last week but which I kept in order to look up the correspondence. I am now enclosing a copy of the letter which Sir William asked me to write and sign for him, together with Mr. Badger's original account and the Post Office receipt for \$1.62. I hope that these will help you to straighten out the matter. Very likely they have received the amount but through carelessness it has not been entered on their books. They might ask at the Post Office in Boston, as an advice as to the Post Office Order should have been received there.

Yours sincerely,

Margaret S. Field
