

THE CHEAPEST AND MOST SUITABLE SCHOOL

FOR

FARMERS' SONS

IS THE

Ontario Agricultural College,

GUELPH, ONTARIO.

The College year commences October 1st and ends June 30th, thus allowing Farmers' Sons to be at their homes during the busy season.

The net cost to Farmers' Sons, including Board, Washing and Tuition, is between \$50 and \$60 per year.

This Institution devotes its whole time and attention to giving a full and thorough course of instruction in those branches, and those only, which are specially needed by young men who intend to engage in Agricultural pursuits.

COURSE OF STUDY.

Agriculture, Horticulture, Live Stock, Dairying. Full courses of lectures, with practical instruction in all these branches.

Natural Science. Chemistry, Geology, Botany, Study of Insects, etc.

Veterinary Science. Study of the Structure, Diseases and Treatment of Cattle, Sheep, Horses, etc.

English. Grammar, Composition, and such practical instruction in English as all farmers need.

Mathematics and Book-keeping. Arithmetic, Farm Book-keeping, Mensuration, Mechanics and Road-making.

For Circular, giving full information as to Cost, Terms of Admission, etc., apply to

JAMES MILLS, M.A., President.
