

NEW-YORK, November 13<sup>th</sup>, 1852

MY LORD,

We are so much interested in the Address which you so kindly delivered to the Students of the General Theological Seminary, on the evening of the 12<sup>th</sup> of November, at the request of the Faculty, that we are desirous of possessing it in a permanent form; and also of enabling many, who were not present upon that occasion, to participate in the pleasure and instruction which you communicated to us. We think, too, that your wise counsels, and earnest and fatherly exhortations, will be of great benefit to those who are preparing for the sacred Ministry. We therefore solicit a copy of your Address for publication.

We are, with very great respect,

Your Lordship's friends and fellow-labourers
