

NEWS OF SPECIAL INTEREST TO WOMEN

DANCING QUESTION BEFORE COMMITTEE

Lively Discussion on Card Playing in Schools Also.

PASS RESOLUTION

Refusal of Permits for Social Functions to Be Reported in Future.

Dancing and card playing gave rise to lively discussion at the meeting of the properly constituted committee of the board of education yesterday afternoon.

Trustee C. A. B. Brown protested against the action of the sub-committee in refusing a permit for a social by the teachers and pupils of Frankland School.

Trustee Hodgson declared that he would never sign a permit where dancing or card playing was to be on the program and dancing formed the whole of the program for the Frankland School social.

By a vote of five to two the committee passed a resolution requiring all refusals of permits to be reported in future to the committee.

Chairman Hodgson intimated that he would have the dancing issue dealt with by the full board.

Have Target Practice. Humboldt College Institute will have a target for rifle practice. This was authorized by the committee.

Supt. Bishop was authorized to have one additional class room equipped at Carleton, Perth avenue, Essex, Edlington, Ross avenue, Kimberley and Queen Alexandra Schools.

LIKE A LIVING SKELETON

Another Striking Cure by Dr. Cassell's Tablets

Tortured with Severe Chest Pains, Palpitation and Headache.

Almost Blind with Dizziness.

Could Retain Nothing on Her Stomach for Long.

Completely and Permanently Cured by DR. CASSELL'S TABLETS.

Here is a story which shows once again the extraordinary power of that famous British remedy, Dr. Cassell's Tablets, to restore the vital processes of the body, and thus to effect recovery in cases where cure was not even hoped for.

"I am a woman of middle age. I have borne 23 children in 25 years, and all my trouble dates from the birth of my last child, five years ago. I was never the same after that. My strength went from me, and I began to suffer with pain in my chest and round my left side. So severe did this become that I could not bear the slightest pressure, and the pain in my side was terrible. I lost all appetite, and used to suffer from frightful headaches, and palpitation that was like an engine beating in my breast. I went almost blind with dizziness, and oh! so sick. Then came retching. Everything I ate I got turned, even a glass of water or a cup of tea. I was in bed for weeks at a time, and when I struggled up from my bed, I had soon to go back again. I got weaker and more wasted till I was

What is the explanation of these cures? How is it that Dr. Cassell's Tablets can restore health so surely? It is because they act as a health force, renewing vitality of nerve and body, and compelling healthy action of every life-process.

Here is another case of cure and cure which puts to shame all ordinary forms of treatment. Ordinary medicine could never have effected such an

CHAMBERLAIN CHAPTER HOLDS ANNUAL SESSION

Substantial Balance in Treasury and Other Departments Have Done Well.

The Chamberlain Chapter, I.O.D.E., held its twelfth annual meeting at the Margaret Eaton Studio, Miss Elizabeth Dixon presiding.

The chapter has donated 1046 knitted woolen articles for soldiers. Elections for 1915 resulted as follows: Hon. regent, Miss Constance Boulton; regent, Mrs. A. E. Kemp; 1st vice-regent, Mrs. R. S. Neville; 2nd vice-regent, Mrs. Albert Brown; hon. secretary, Miss Clara McColl; hon. treasurer, Miss Edna Macdonald; assistant secretary, Miss Antje; standard bearer, Miss Ainslie McMichael; "Robinet" secretary, Miss Agnes Brown; municipal representative, Mrs. W. Carlell-Hall and the councillors.

BETTER THAN SPANKING

Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W. 66, Windsor, Ont., will send free to any mother her successful home treatment, with full instructions. Send no money but write today if your children trouble you in this way. Don't slay the child. The chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day or night.

SWEDISH SHIP DAMAGED BY A MINE OR TORPEDO

Canadian Press Despatch. AMSTERDAM, Feb. 26.—The Swedish steamer Svartorn, from Rotterdam, arrived today safe at Ymuden, Her island, with a large hole in her starboard side near the bow. The captain reported that the Svartorn had been damaged on Thursday afternoon by either a mine or a torpedo. It is his opinion that the damage was inflicted by a mine.

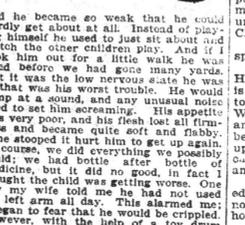

WEAK AND AILING BOY who was a martyr to Nerves.

Mr. Windle, of 5 Cambridge street, Blackburn, England, says: "For months little Jack was a little martyr to nerves, and he became so weak that he could hardly get about at all. Instead of playing himself he used to just sit and watch the other children play. And if I took him out for a little walk he was tired before we had gone many yards. But it was the low nervous state he was in that was his worst trouble. He would jump at a sound, and any unusual noise used to set him screaming. His appetite was very poor, and his flesh lost all firmness and became quite soft and flabby. He stopped it hurt him to get up again. Of course, we did everything we possibly could; we had bottles after bottle of medicine, but it did no good, in fact I thought the child was getting worse. One day my wife told me he had not used his left arm all day. This alarmed me; I began to fear that he would be crippled. However, with the help of a toy drum his health was no better, so as the ordinary methods of treatment had quite failed, I decided to try Dr. Cassell's Tablets. It was not long before Dr. Cassell's Tablets had effected a marked improvement. The little fellow brightened up wonderfully. He got his appetite back, he is as bright and active as any child could be."

LARGEST SALE IN BRITAIN Popularity Now World-Wide

What is the explanation of these cures? How is it that Dr. Cassell's Tablets can restore health so surely? It is because they act as a health force, renewing vitality of nerve and body, and compelling healthy action of every life-process.

NOTES OF WOMEN'S WORLD.

The Heliconian Club will meet for business at 8 o'clock tonight in the club rooms, Yonge and Grosvenor streets.

Dr. Stowe Gulien will speak before the Progressive Research Club at 8 o'clock in Oudellville Hall.

The memorial institute shops will conduct its regular Saturday afternoon sale between 2 and 6 o'clock in the institute this afternoon.

The Bathurst W.C.T.U. will hold its regular monthly meeting on Monday in Broadway Tabernacle. Dr. Jennie Gray will speak.

The Veterans of '18 Chapter, I.O.D.E., held a very successful musicale at the residence of Mrs. John Wilson, Gerrard street, last evening. Mrs. Joseph Beck, assisted in receiving the guests.

It was announced at the meeting of the graduates nurses in the General Hospital that 36 are required for the new university of Toronto hospital.

Members of the North Toronto Union yesterday afternoon at the conclusion of their meeting, which consisted of the reading of reports and discussion of plans for public work and the entertainment of the delegates to the coming convention next week.

The Westminster Sewing Circle, under the direction of Mrs. Dutton and Mrs. Eyles, completed an splendid donation of warm clothing at their meeting yesterday afternoon, held at the residence of Mrs. J. M. Hamilton, by the management.

The Rosary Hall Sewing Circle will meet at Loreto Abbey on Monday at 2 o'clock.

SPINAL MENINGITIS GETS NEW VICTIM

Eighth Case of Dreaded Disease Develops at Exhibition Camp.

Medical Authorities Consider Cases to Be Now Well in Hand.

A new case of cerebro-spinal meningitis was discovered at the Exhibition camp, yesterday, the victim being Private Norman D. Lockhart, 38 Rate avenue, a member of No. 1 Q. O. R. Company, 18th Battalion. Lockhart was immediately taken to his home.

This makes eight cases of this disease, but the authorities consider that they have the malady well in hand, as this is the first case to be discovered for a week. It has been learned that a number of the men at the camp have been in the habit of visiting houses where people are ill of spinal meningitis. They have been under constant watch and will in all probability be taken to the General Hospital.

All the men at the Eaton Battery, 19th and 20th Battalions who have been confined in the Inglis factory building, returned to camp yesterday morning.

Inspection Continued. Major General Lessard continued the inspection of the men and yesterday the 29th Battalion were placed on review.

Colonel Smart, commander of the 2nd Division of Cavalry, of which the 4th Mounted Rifles of Toronto is part, arrived from Montreal yesterday morning and inspected the 600 men under the command of Lieut-Col. Chadwick.

Major G. Roy continued with the inspection of the camp.

The mobilization of No. 2 Clearing Hospital at the old General Hospital is now practically complete and ready to leave for Europe at any moment.

With the present staff of 52 officers and men there will go a large number of service men bringing the total up to about 75 in all, consisting of carpenters, cooks, bricklayers, barber and mechanics.

The equipment will not be provided until the men reach England and no patients will be treated until the hospital reaches the front.

Mounted Rifles Marched. The 4th Canadian Mounted Rifles, under the command of Col. Chadwick, were taken for a route of march on foot from the camp to the armouries yesterday.

Lieut-Col. Stewart has decided that the old Home Guard armouries at Wellington street are unsuitable for the 10th Regiment and Major Gillies has come to a like conclusion with regard to the Home Guard. The building will probably be kept in use by the association because of the permanent fittings and the fact that it has already begun to use the old McGregor building at Pearl street for drilling.

HEARS FROM GUARDMAN

J. McCarrie of the Canadian Lawn Bowling Club has received a letter from his brother, Corporal F. J. McCarrie, 2nd Co., 2nd Battalion of the Coldstream Guards, in which he tells him that by a strange coincidence he received a present from J. N. Campbell of the Canada Life Assurance Co. of Toronto. He states that the Guards and the enemies' losses are far in excess of the British.

A special class of instructions is being held for Houtenants and selected non-commissioned officers by Capt. G. V. Vazirly, O.T.C. camp, which is to be held in Niagara early in May.

TO DARKEN HAIR APPLY SAGE TEA

Look Young! Bring Back Its Natural Color, Gloss and Thickness.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation. If your hair is fading, gray or dry, scraggy and thin, mixing the Sage Tea and Sulphur recipe at home, the is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not so desirable, it is not so difficult to get the ready-to-use tonic, costing about 50 cents a large bottle at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of fuss.
