THE T. EATON CO. LIMITED

This semi-annual attraction has no comparison in all the year's big floor covering events. It has taken on such gigantic proportions as to involve a whole train-load of goods, and all to be unloaded in a week's selling. It will be taken advantage of all over the country, because the people appreciate the importance of the event enough to wait for it. We'll have to sell many thousands of yards a day, but the prices are the kind that compel unusual buying.

The six big attractions are made up of discontinued patterns and slightly imperfect goods, that are a result of the tremendous output of mammoth mills. Our ability to take the total quantity and pay ready cash is the explanation of the wonderful value giving.

We can't too strongly press the significance of this stupendous offering. It will mean money saving of the biggest kind to every purchaser—prices that won't happen again in a long while. Plan to come Tuesday, and come as early as you can.

Renfrew Defeat Ottawas at Ottawa By 7 Goals to 6

OTTAWA, March 5.—The unexpected again occurred in the National Hockey Association on Saturday, when Renfrew won from Ottawa at the local arena by a score of 7 goals to 6, thus giving the new champions their third defeat within eight days.

Despite their downfall at the Creamery Town last previous week, and their discouraging work against Quebec and the Wanderers, the majority believed that the Ottawa team would return to form and demonstrate, by crushing Renfrew, their right to the league laurels. But the Ottawa team again failed to live up to expectations, Renfrew completely outplaying them in the second and third periods. True, Ottawa was robbed of a goal in the second period, which would have won them a game, but a telling effect on the final score, but Ottawa, on the night's play, Ottawa, in fact, would have been a pity, however, that they did not remove all doubt as to their superiority by scoring another goal.

Five thousand people, about two hundred of whom came from Renfrew in expectation of seeing another Waterloo for the Creamery Town, saw the Ottawa win in view of the previous triumph over U.S. Barret's team, was a stunning blow, the Wanderer defeat at Montreal, also left a decidedly tenuous spot in the hearts of the Ottawa followers. But to lose to Renfrew on Ottawa ice—well, nothing worse could have befallen the new champions. It was really the greatest surprise of the hockey season.

"It's a good thing we have the championship clinched," remarked Capt. Perry Lesieur at the close of Saturday's contest. And in the light of last week's developments it certainly is. It is equally fortunate that Renfrew downed the Canadiens on Thursday, for the fleet French report is likely to be Ottawa's undoing, the remaining games of the series. On Saturday's fourth, Ottawa, in fact, would have difficulty keeping out of last place. Renfrew played good, fast hockey, the beginning of the end, but Ottawa showed the same spirit and snap which was in evidence in their previous games. They would have had no difficulty in beating the visitors.

Ottawa led by 2 to 1 at the close of the first period, but the Ottawa team, in the second, and then with Lake and Darrah on the fence, they secured a one-goal victory. They made it 7 to 3 at the third, and, although Ottawa worked desperately to pull out a victory, the best they could do was one goal, which fell to Darrah. Goal-keeper Lindsay was showered with shots in the last few minutes, but the Ottawa shooting was so poor and the defence play of the visitors so effective that the game ended with Ottawa beaten on their own ice for the first time since Wanderers lifted the cup last year. The teams broke even in penalties. Ottawa's were more costly. Renfrew twice having seven men against five.

Kerr refused to continue after the first period, finishing sickness as his excuse. Hunt went out for fifteen minutes, and Currie finished out the game. Neither's play was effective. Kerr's absence demoralized the Ottawa team, but the goal that Ottawa scored in the second period punctured the centre of the net so plainly that even the Renfrew players skated back to centre ice for the next face-off. Umpire Brewer, however, refused to allow it. Alito Taylor and others said that it was a score. Russell Bowie declared he would have overruled the decision were he able to do so. It looked as though there would be trouble, but the crowd soon cooled down. As it was, the loss of the goal had a decisive effect on the final score. Play was fairly clean. The ice was like steel.

Wychwood Wants to Know. Sporting Editor World: In answer to a letter which appeared in the columns of your paper March 2, we wish to make the following reply: Not in any way do we doubt the superiority of the North Toronto Hockey Club over Wychwood, and, moreover, we are sports enough to acknowledge that the best team won and that they deserve great credit for their season's record. The Wychwood Hockey Club is composed of players "who have not played in any other team or league" during the season of 1910-11, and this being the club's first year, they I think deserve credit also for the showing they have made, both in playing the game and in more or less financial success. We cannot understand Mr. G. L. Clumner's assertion about the World reporter. We do not know who he is, and we have no connection whatever with Wychwood Hockey Club, but Mr. G. L. Clumner might be able to tell us how it is that North Toronto's Hockey Club are allowed to play men who play for other clubs and also play a man who has been playing for Durham, when the Inter-Athletic association definitely says that he "cannot play in any other club." Since Mr. Clumner has started to write to the columns of your paper, he might just let us know how many players on the North Toronto hockey team played this season with North Toronto only. G. Phillips, manager.

FEARED TO TAKE VOTE Reciprocity Resolution Shunted Because Opposition Threatened.

QUELPH, March 5.—(Special).—There was some talk of taking a vote on reciprocity at the annual meeting of the South Wellington Liberal Association, which was held in the city hall here yesterday, but this was not done, as it was known that several prominent Liberals were prepared, if given the opening, to denounce the measure.
