It makes a lot of difference whether the surroundings are helpful or the contrary. When we moved the Silks and Dress Goods Departmens from the rush and bustle of the ground floor we followed the precedent of the greatest stores in America, and

carried the judgment of all our lady customers. The splendid light, the elegant equipment and the positive comfort of the department furnish an appropriate setting for what is admitted on all hands to be the choicest and finest stocks in the Dominion.

When we say our best previous efforts have been excelled this season. we give sufficient assurance that you will find here the world's latest and most artistic productions in dress fabrics, as well as the standard silks, broadcloths, serges and tweeds, for which Simpson's has long been famous. As a feature of our completed store this department is unique and un-
