The mayor has received a letter from Mayor Coatsworth, Toronto, stating that the sewers emptying into Humber Bay at the foot of Roncesvalles avenue are for use only for storm overflow during heavy rainstorms.

East Toronto.

East Toronto, April 24.—Building operations are proceeding more rapilly than at any previous time in the listory of the town. On Enderby-road, and also in the westerly part of ward two. foundations are being prepared and houses erected in remarkably short time. In ward one, along the lake shore, and even outside the town limits in York Township, the same activity in York Township, the same activity prevails. It is only in the northern end prevails. It is only in the northern end of the town that building conditions are comparatively quiet, and this, it is said, will be remedied with the extension of the street railway over the bridge and along Danforth-avenue. Considerable dissatisfaction is expressed by the residents living in York with the apparent apathy of the council with respect to the extension of the road and the building of a new bridge by the G.T.R. Invitations have been widely distributed for the Conservative smoker in Snell's Hall on Thursday evening. Snell's Hall on Thursday evening. Among others expected are R. R. Gamey, M.L.A.; W. H. Hoyles, M.L.A.; Alex McCowan, M.L.A., and J. S. Galla-

Thomas Spellew is erecting two fine residences on the corner of Main-street and Lyall-avenue.

Assessment Commissioner John Burke, who is completing the work of assessing the eastern portion of York Township, reports that last year there were less than a dozen residents on Reld-avenue, where there are now more than a hundred. The assessed value of the township will show an enormous increase over last year.
Complaint is being made that no ef-

fort is put forth to keep down the clouds of dust on Main-street and the Kingston-road by the use of the way

North Toronto. J. M. Whaley has almost completed his assessment for the year. His roll will show a good increase over last year, and Mr. Whaley is satisfied that price for vacant real estate will see a J. M. Whaley has almost completed for vacant real estate will see a sharp advance.

The Kensington-avenue septic tank question will be discussed to-day by the provincial board of health. It is rumored that two other banks are thinking of locating branches in the town. A ratepayer suggested to The World that the council might do well to interview some of these finan cial institutions with the idea of transferring the town account in con sideration of a branch being established. It is estimated that the account of the council is worth full \$1000 a year to a bank, and this should

We'll probably surprise you when we tell you we have very good Fedoras for 75c in the Men's Store. You ought to see them to-morrow.

Derbys for \$1.50. No need to waste money on hats. Come to the Men's Store.

Men's Fedora Hats, fine imported English felt, good staple

Men's Derby Hats, special quality English fur felt, up todate spring style, in small, medium or large proportions of date spring style, in small, meululi of land brim and crown, color black only, 200 Hats, Thursday 1.50

The Simpson Boot

Any office man who likes a well made, good looking, comfortable shoe will like the Victor. The fact that though a \$5.00 shoe in its quality and appearance it sells for \$3.50, will not hurt it from a business point of view. Ask to see line B in the men's Victor-the ideal boot for business purposes. Light kid uppers, heavy soles. The greatest ease to the foot under continuous wear.

THE FIRES OF ST. JOHN.

Nance O'Neil Seen in Splendid Production of Absorbing Play. Last night Miss O'Neil presented at

the Princess Theatre Sudermann's four-act play, Johannisfeuer-Fires of St. John-translated by Otto von Klock stage by McKee Rankin. Dated in 1900 it represents a marked change in the works artistic effect is supreme, tho the characters are frequently used to convey moral reflections-in his later the story is made the medium thru which he seeks to impress his thoughts upon the hearer. Without being initiative they therefore have a strong Ibsenish flavor, but lack the wonderful opment of character peculiar to the Swedish dramatist.

"The Fires of St. John" may be interpreted in various ways, but its leading note is the influence of heredity. Marie is a foundling adopted by an honest, hearty but choleric German farmer—Mr. Brauer—info whose typical—household we are in-Brauer-info troduced. He has also played the good Samaritan to his orphan nephew, be-tween whom and Marie there is a deep and subtle bond of sympathy, von Harten's part, concealed by Marie. With that situation the play opens
