You may see it a dozen times and suit find it just as bright and laughable. When Babs dons the female "scenery" the real action begins, and from then until the finale it is quick brisk and snappy in dialog and situations. It is delightfully nonsensical and refresh and sample in the Majestic last night. The story is not uttra senational, and teaches a mother series of experiments with his delightfully nonsensible, but wholesome, clever and altogether entertaining. What a tribute to the comedy it is that it has stood the test of many years and the piracy of so many would-be playwrights and is to-day as welcome and as entertaining as it was in the years gone. It has an enduring humor and a perennial sparkle that time will never dim. It is most gratifying that the one who originated the part of Babs—

and Shuter-streets. There was some Ottawa, Nov. 12.—In the supreme amusement occasioned by the manner court to-day the argument was be in which the immense vegetables were in the case of the King v. the Bank transported to the store from the hall, of Montreal.

in which the immense vegetables were transported to the store from the hall.

Crawford's glant, the 7 foot 7 man, who has been a regular visitor at the exhibition all week, went down to the basement on Saturday night, just as the Black Dike Band was playing "The Black Dike Band was playing "The Maple Leaf Forever," and he took possession of the biggest squash, carried it upstairs and thru the large crowd or the main floor, greatly to their delight. The giant managed it as far as the box-office, and then took a very recessary rest. After a couple of minimutes' wait he resumed the task, but the squash increased in weight at every step and had to be laid down on the Shuter-street sidewalk as gracefully as direct convenient, manner of getting it into the store without carrying it. A small crowd collected, and the giant volunteered to surrender his interest in the vegetable to anyone who would devise some means of moving it further. The bright idea of rolling it along was submitted, and the suggestion was successfully acted upon. A proposal that the giant go back into Massey Hall and get the other one met with a very emphatic rejection by the giant, who submitted that a railway lorry and a derick of the store without carrying it. A submitted that a railway lorry and a derick were the real things for the business.

"I had the biggest man in Canada."

The define case of the King v. the government. The action was brought by the government of Canada to recover from the exhibition all the cation was brought by the government of Canada to recover from the base mank upon cheques forged by Martineau kept an account—in the several third party banks, in each of which, Martineau kept an account—in the several third party banks in the Royal Bank in his own name.

The defence of the Bank of Montreal the sum of 475,707, the aggregate of the sums paid by the bank upon cheques forged by Martineau, a clerk in the militia department, who was convicted of the Soverein of these cheques and sent to the power and the several third party

financial assistance for legislative purposes, as well as our organizer directly commissioned by the American Federation of Labor, and those from our affiliated unions.

Opposition is Gone.

"There is now almost entirely eliminated the element in Canada which undertook to divide the organized workers of the Dominion from those of all America. It must be a source of pride to us all to know that now, as never before, the hosts of organized.

"I had the biggest man in Canada, and I thought I would like to get the biggest vegetable, too," remarked Mr. James Crawford, who has taken a decided interest in the show, even to having his giant (Col. Baker) attend it and the afternoon and evening musical programs pasted on the store's many windows every day.

Someone suggested that they had not known before that Mr. Crawford was a horticulturist.

"I'm not much up on that but I am
