"Better Be Wise Than Rich."

Wise people are also rich when they know a perfect remedy for all annoying diseases of the blood, kidneys, liver and bowels. It is Hood's Sarsaparilla. which is perfect in its action. It so regulates the entire system as to bring vigorous health. It never disappoints.

Coitre-" For 42 years I had goitre, or swellings on my neck, which was discouraging and troublesome. Rheumatism also annoyed me. Hood's Sarsaparilla cured me completely and the swelling has entirely disappeard. A lady in Michigan saw my previous testimonial and used Hood's and was entirely cured of the same trouble. She thanked me for recommending it." Mrs. A-NA SUTHERLAND, 466 Lovel Street, Kalamazo, Mich.

Poor Health - "Had poor health for years, pains in shoulders, back and hips, with constant headache, nervousness and no appetite. Used Hood's Sarsaparilla, gained strength and can work hard all day; eat heartily and sleep well. I took it because it helped my husband." Mrs. ELIZABETH J. GIFFELS, Moose Lake, Minn.

WEEKLY REVIEW.

Wheat-Deliveries have been fair the past week. There was a good demand. At the advance in prices it was expected sellers would be inclined to let go. but, as usual, the little advance has them feel that much higher prices will yet be realized, and many have decided to hold on a little longer. Today only one load of wheat offered. It was thin and poor, and sold at \$115. The nominial price for good stock is \$118 to \$123, odd lots of choice white

selling at \$1 25. Oats were steady all week, with 90c to \$1 01 covering the range of values. Some days 98c was the usual price paid, and

others 990 to \$1. Today only three loads came in, and they all sold at \$1. Peas opened at \$1 to \$1.20 for poor to good. As the week were on and the demand for seed showed indications of being over, prices declined, and some lots and at \$50 and we believe it would lots sold at 95c, and we believe it would now be hard to get over 11 for the very

No barley offered. A little lot of Flint corn sold at 90c. Dressed hogs were scarce, very few moderate supply, were quotable at

At today's session only eleven loads offered, and there was little done, and no sales reported at the time of writing; it is not likely over \$8 50 will be

NEW YORK, June 6 .- Beeves-Receipts, 157; no trading; feeling steady; Shipments, 700 cattle, 215 sheep and 4,245 quarters of beef; tomorrow, 3,568 quarters. Calves-Receipts, 75; no trade of any importance; feeling a trifle weak. Sheep and lambs—Receipts, 2,000; sheep slow; yearlings and lambs steady; common to prime sheep, \$3 to \$4 60; choice wethers, \$4 85; ordinary yearlings, \$4 75; lambs, \$5 25 to \$5 75; no choice here. Hogs—Receipts, 1,061; firm, at \$4 15 to \$4 30.

EAST BUFFALO, N. Y., June 6 .-Cattle-No fresh receipts, and with but a moderate inquiry, the market was nominally unchanged from yesterday; there were no culls, and the market stood about on yesterday's basis of \$6 to \$6 25 on fancy calves. Sheep and lambs-There was one deck of fresh and eight loads left over, mostly sheep; the tone of the market showed no improvement, and in the almost entire absence of demand there was not sufficient basis for quotations; however, it is probable that the basis was \$5.75 to \$6 on choice lambs and \$5 to \$5 15 on sheep. Hogs-With only two loads on sale, and a good demand, the closing strength of yesterday was tained: 127 Yorkers, averaging 127 lbs., sold at \$4 10; 83 do., 153 lbs., \$4 10; the tone at the close was strong.

CHICAGO, June 6.-The light supply of cattle today was enough to meet the moderate requirements of buyers, and prices were barely steady; fancy cattle were quoted at \$550 to \$560; good to choice steers, \$5 05 to \$5 45, and commoner grades, \$4 35 to \$5; feeding cattle sold at \$3.70 to \$5.10; bulls, cows and heifers, \$2 to \$5, the latter for choice heifers, and western fed steers at \$4 60 to \$5 30. A fair supply of calves changed hands at the recent decline in prices, best grades bringing \$6.25 to \$7, and commoner grades, \$4 to \$6. The supply of hogs was unexpectedly small, and the scramble among local packers and shippers to secure the stock resulted in an advance of mostly 10c; prime heavy hogs brought \$3 90, and prime light sold up to \$3 921/2; pigs, \$3 45 to \$3.65; the extreme range of prices were \$3.55 to \$3.92½. The demand for sheep was again poor, and prices suffered a further decline; ordinary to prime sheep sold at \$4 to \$5; culls, \$2 50 to \$3 75; rams, \$3 to \$3 50; ewes, \$4; clipped lambs were slow, at \$3 25 to \$5 75; wooled Colorados brought \$5 95 to \$6, and spring lambs, \$4 85 to Receipts-Cattle, \$2,000; hogs, \$6 75.

16,000; sheep, 9,000. TORONTO, June 6.-The receipts of live stock at the western cattle market this morning were heavy, there being 80 carloads, made up of 1,300 cattle, 150 milch cows, 30 calves, 300 sheep and lambs and 2,100 hogs. The demand for cattle was not quite as good as on Friday, but choice stock found a fairly good outlet. The offerings includ-ed some very good stuff, and the quality in general was fairly good. Export cattle—The market was firm; choice heavy exporters, which were in

being sold except on contract. Live \$4 80 to \$5 per cwt, and light were brought \$4 60 on Monday with indica- steady at \$4 60 to \$4 85 per cwt. J. & J. Dunn bought 80 shippers, at prices ranging from \$4 90 to \$5 10 per cwt. Butchers' cattle—Choice selections brought \$4 45 to \$4 65 per cwt; and an ample supply of medium and common grades were firm, at \$3 25 to \$4 25 per cwt; inferior were slow, at \$3 per cwt. Stockers and feeders-The market was firm, but there was no inquiry for Canadian stockers for Buffalo, and prices were steady, being quoted at \$3 \$5 to \$4 per cwt. A moderate supply of feeders met with a fairly good demand, at \$4 40 to \$4 65 per cwt. Sheep and lambs. Sheep (with wool) for export and butchers' use found ready safe at \$4 per cwt, and sheep (clipped) brought \$3 50 to \$3 75 per cwt; a few bunches of spring lambs were quoted at \$2 50 to \$4 25, and choice veal calves, which were scarce, were quoted at \$2 to \$10 each. Bucks were slow, at \$3 per cwt. Yearlings brought \$4 to \$4 50 per cwt. Hogs—Prices for choice remained steady, while light and thick fats were inclined to be a little easier, the former being quoted at 1/8c lower, or \$4 371/2, and the latter about 1/8c easier—\$4 25 per cwt; choice brought \$5 per cwt, and sows were slow, at \$3 per cwt. Ebullitions of Hostility to the Street Railway Company Get Some People Into Trouble.

Five cases in connection with the St. John's Athletic Club Nine Defeats treet railway trouble were aired at the police court before Magistrate Parke this morning.

Douglas Forsythe, of the Globe Casket Works, who was taken to the station in the patrol for refusing to give his name to an officer and for using insulting language, was discharged. Mr. Forsythe did not deny having said the Montreal constables were spies and sneaks, but stated he made the remarks in conversation with a friend. He positively denied having cried "scab." The prosecution had a num-

ing that he was speaking to his horse. He was discharged with a warning. Wm. Smith, a laborer working on the

sewer, yelled "scab" at the cars. He was fined \$1. Provincial Constable Flynn laid the information.

Henry McDonald was charged with the same offense. He was discharged. F. P. Chantler, who was charged with calling "scab," stated that he was talking to his horse, the animal bearing that name. The case was adjourned until Monday next. John Roch and Benjamin Johnston, who were remanded for a week, were allowed to go on condition that they left town at once.

Hamilton, Ohio, June 7.—Chief of Police Peter A. Clare, of this city, with his wife and daughter, Margaret. attempted last night to drive across the Cincinnati, Hamilton and Dayton Railroad track, four miles north of here. FURIOUS WINDS

Wreck Two Churches and Many Barns -Fruit and Forest Trees Damaged.

Belleville, June 7.—Hastings county was visited Monday by a genuine tornado, which blew down churches, trees and barns. Mount Zion Methodist Church, in the 3rd concession of Huntington; Zion's Hill Methodist Church, in the 8th concession of Thurlow; the barns of James Foster, Walter Seares, R. J. Gordon, and several others were blown over, and forests and orchards suffered considerably. Following the wind was a deluge of rain, accompanied by thunder and lightning. Belleville was on the track of the storm, but beyond a few fences turned over and limbs broken from trees no dam-

age was done. So far as has been ascertained upwards of 40 barns and houses were destroyed or unroofed by Monday's tornado in this county. Four churches were in the line of the storm, and two are almost complete wrecks. The Madoc train en route to this city, was compelled to stop to remove fence rails blown on the track. Sidney, Tyendinaga, Thurlow and Huntington townships are principally the points where

the damage was done.

NOTES OF YESTERDAY'S GAME. Humbled by the Hams. Cooper came off the pedestal.

All men are mortal; all flesh is grass The Hams behaved well considering where they come from. Maybe London overdoes the hunting business.

Nearly all the Cockneys went out to the infield. Swartz certainly can hit the ball.

Babbitt's fingers were a trifle heavy yesterday. It was London's thirteenth game on the home grounds. Unlucky 13.

THE AMATEURS. Those who were fortunate enough to be at the St. John's Athletic Club grounds last night were treated to about as good a game of baseball as has been played in this city by amateur teams-in fact, it was a much better class of ball than is served up to the patrons of Tecumseh Park on some occasions. On Monday night the St. J. A. C. defeated a team from the Ontario Spring and Mattress Company by a score of 4-3-1 to 2-2-4, and last night their opponents were the Knox Church nine, who made such a brilliant record last year. Considerable rivalry exists between these teams, and they were both out to win, if possible. Both nines played a fast, clean game, hits were few and far between, only two being made on each side. Both Summers and Reid were in fine condition, having six strike-outs each to their credit. Mr. Thomas Breen officiated as umpire, and his decisions gave the best of satisfaction to both This victory makes four wins for St. J. A. C. this season; none lost. Thursday evening they play the Alerts, on Saturday afternoon the Columbia Handle Company, and on Tuesday night next Knox Church again. Visi-

tors are always welcome at these

Trunk Strike.

The Management Say They Made No Conditions, and Will Not Over-

look Unla wful Conduct. Toronto, June 7 .- Although the officials of the Grand Trunk Railway and the striking trackmen are allke discouraged at the turn affairs have taken, the strike is still in force. The company has been the gainer by the return of the men to work on Monday morning, for it has retained the services of a number of them, and now it is claimed that there are four hundred men at work in the middle division. It is conceded, however, by the officials, that the strikers on the northern division are still out, the great majority of the men throwing down their tools when the notice of the resumption of the strike was received. The company is, of course, feeling the strain, and both sides are anxious

for an end of hostilities.

CALLING OUT THE MEN. The dispatch of Monday night ordering the men out for the second time was supplemented by another telegram yesterday, which read: "Call out all the men again. Sending instructions by registered letter. William Pole, Chairman Executive." Upon the receipt of this message delegates were sent from the city along the lines in this district to notify the men to leave their work. They reported that while three of the former strikers remained in the company's employ they were ready to leave when ordered to do so

by the committee. THE MONTREAL COMMITTEE. strikers there were dissatisfied with the management of the strike and with Organizer Lowe in particular, caused considerable feeling among the here. They aver that the Montreal committee and the organizer have their fullest confidence and sympathy. The statements as to the bad condition of the tracks are being repeated, and the strikers declare that the road bed cannot remain in condition for travel

AT MONTREAL Montreal, June 6.—The new friction between the G. T. R. and its track-men seems to have arisen from a misunderstanding by the Conservative members of parliament who undertook to make a settlement on Saturday as to the position of the company. Both Mr. Hays, the general manager, and Mr. McGuigan, the general superintendent, stated on Sunday that there were no terms of surrender and that the men would have to make formal application for reinstatement. The company will not take back those who proved themselves ob-

The men who cannot clear themselves of participation in the outrages which have occurred at Kingston need look for no consideration whatever. The company regard persons who deliberately fired bullets into a carriage in which the men employed by the company were seated as unfit for their service. The men who simply quit work in obedience to the orders of their executive will be taken back in such numbers as are required, but there is no doubt that the company regard the action of well-paid foremen more seriously than they do that of the ordinary trackmen receiving a dollar a day.

COMPANY SAY THEY GAVE NO PLEDGES

Mr. McGuiran, when shown the telegram from the chairman of the men's committee, saying, "Hays has broken faith with us," replied that no pledges were made to the men, and that con-sequently none were broken. Mr. Lowe, the organizer, says that all the men will be out on strike again, and they will be satisfied with nothing but a written agreement.

GLENCOE TRACKMEN'S MEETING Glencoe, June 7.-The trackmen of Glencoe Lodge held a special meeting last night. They have all been Rev. Dr. W called out again, and have responded nobly, all being out, with the exception of one foreman and a man, who say they will keep on working. The men here have resolved that they will not be trifled with again, and have expressed their intention of remaining out to the last. The sympathy of the public is entirely in favor of the strikers, and they promise their undivided support.

Guelph, June 7.—The trackmen in

this section went out again on strike, to a man.

MEN'S TEMPER NOT IMPROVED. Lindsay, June 7.—The trackmen of the Midland division went out on strike again. They went out before in a semi-jovial mood, but this time they are somewhat angry. A trainman just arrived from Lorneville Junction says that all the men there are stirred up more than ever at the turn things have taken. The men here say that they have been grossly deceived.

[G. N. W. Special to Advertiser.] Toronto, Ont., June 7.-The G. T. R. Company this morning sent a couple of messengers to the local headquarters of the strikers, asking that the men return to work. The men, however, sent word back that it was now too late; such a message should have the world.

been sent on Monday. They refused to return to work.

A good many more of their men have found work elsewhere.

TOO PROUD TO BEG

The Latest Phase of the Grand So He Robbid a Poor-Box-Now He's Rich.

> San Francisco, Cal., June 7.-Richard Daverkosen, who is now serving a term in the county jail for stealing 30 cents from the poor box of St. Joseph's Catho-He Church, will find 300,000 gulden, or about \$75,000 in American money, to his credit in the National Holland Bank when he is released two weeks from

He took the 30 cents because he was on the verge of starvation, and was too proud to beg. After his conviction his wife and children left him, returning to their former home in Germany. Several days ago the German consul here received a letter from Lachapelle, making pressing inquiries for Richard Daverkosen, once staff officer of the great Von Moltke, and stating that an inheritance of 300,000 gulden, part of the estate of his maternal aunt, Mme. Schlecher, was awaiting the lucky heir's pleasure. The letter was from the sister of the missing man. He was found in prison, and taken by two officers to the consulate, where he established his identity as Capt. Daverkosen, son of one of the best and most wealthy families of Arnheim, Holland. He joined the German army on outbreak of the Franco-Prussian war and made a good record. It is said he will inherit \$300,000 more on the death of his stepmother.
