LONDON AND DISTRICT

—Mr. S. Town, of Scarforth, purposes taking up his residence in this city in the near future.

—The official visit of Right Wor. Bro. R. F. O'Neil, D. D. G. M., of London Masonic district, No. 3, will be paid to St. John's Lodge, No. 20, A., F. and A. M., London, tomorrow evening.

—Mrs. J. N. Willett, Flint, Mich., mother of Mrs. C. W. Bennett, of this city, is visiting here.

—A social will be held this evening by the guild of the First Congregational Church. The young people of the Southern Congregational Church will be entertained. Several musical numbers will be furnished by the Octon Club, of the Wellington Street Methodist Church. Mr. Gibson will also give several selections and a very pleasing evening is anticipated.

—The Dunbar Quartet and Bell Ringers, made a decided hit with their entertainment at the Y. M. C. A. Auditorium on Saturday evening, when they appeared before a large audience. All former members of the organization proved themselves to be talented musicians. In their bell ringing numbers they greatly delighted all present, and brought forth rounds of applause. As for their singing, it was excellent. Ralph Dunbar plays a 'cello with skill and expression. The intermezzo from Cavallera Rusticana was one of the best numbers. Altogether the entertainment was a fitting closing number to an excellent entertainment course.

—Dr. John MacMillan, a former Londoner, died in Pictou, N. S., on May 1. Dr. MacMillan was born in London, 73 years ago, and was a brother of the late Duncan MacMillan, for many years member for East Middlesex in the House of Commons and of Mr. Donald MacMillan, long connected with the London Mutual Insurance Association. He was a graduate of Queen's and McGill. Fifty years ago he began the practice of his profession at Wallace; some years later he removed to Sherbrooke, then to New Glasgow, N. S., and finally, about thirty years ago, to Pictou. He married a daughter of the late Hon. John Holmes, who survives him, with a son and daughter.

LOBO WOMEN'S INSTITUTE.
The monthly meeting of the Lobo Women's Institute will be held at the home of Miss Scott, on Wednesday afternoon. This meeting will also be the annual meeting. Officers for coming year will be appointed, after which literary programs will be given. All ladies will be welcome. Those wishing to become members or to renew subscriptions will kindly hand in names on this date.

\$10,000 FOR DEBT WILL BE RAISED
Dundas Street Methodist to Secure Amount on Sunday Next.

The anniversary of the Dundas Street Methodist Church will be celebrated on Sunday next. The congregation is being asked to contribute \$10,000 towards the reduction of the church debt, which at present amounts to \$20,000.

"We are going to raise the amount," said Mr. Lancelley yesterday evening, when referring to the matter. "We have never undertaken anything in this church without accomplishing it. This

FURS STORED

If you will write or phone us we will send for your furs. We prefer to have garments sent to us valued by the owner, but when this is not done we use our own judgment as to a fair valuation.

BELTZ PRACTICAL FURRIER.

Is due to the loyalty and fidelity of the congregation."

Rev. Dr. Wharton, of Baltimore, will preach in evening, and Rev. Mr. Lancelley in the evening.

A rally of the Epworth Leagues of the city will be held this evening in the Empress Avenue Church. The address of the evening will be delivered by Rev. J. J. Teasdale.

Baptism in River.
Five candidates were baptized Sunday in the Thames at the turn in the river, which for many years has been known as Burket's. Rev. Herbert Mackenzie, pastor of the Christian Workers' Church, assisted by Deacon Quick, performed the ceremony.

The candidates were: Arthur Leper, — Break, Alf Andrews, Wm. Swazie, and Andrew Turner.

The latter made an impassioned plea to the crowd, gathered along the bank to forsake the paths of sin. He claimed that in London, England, he had been a gambler and sharper, but that he had seen the light, and that sooner than go back to the old life he was ready to pick racks.

Service for Deaf Mutes.
At the All Saints' Anglican Church special services were held on Saturday and Sunday evenings for the benefit of the deaf mutes of the city. Mr. Briggs, of Toronto, formerly teacher in the Belleville Institute, gave a lime-light address on Saturday evening. Both meetings were well attended.

Mr. Charles, of Huron College, conducted the services yesterday at St. James' Anglican Church. Mr. Fred Reid rendered a very pleasing solo at the evening service.

Confirmation services will be held in the Memorial Church next Sunday evening by Bishop Williams.

Two candidates were baptized yesterday at the Adelaide Street Baptist Church.

Woman Rules the World.
"Womanliness was the subject of a sermon preached last night by Rev. James Livingstone, at the Wellington Street Methodist Church. Mr. Livingstone said that although she does it in a quiet way, woman rules the world, and is the greatest force for civilization to exist. Speaking of the Virgin Mary, he said that he had often wondered why she was not more talked of among women today, but he thought it must be on account of the prominent position which she is given in the Roman Catholic worship. He expressed the belief that in making supplication to the Virgin Mary he did not believe the Roman Catholics had lost any of their devotion for her. Susannah Wesley, was spoken of by Mr. Livingstone as an example of a truly great woman. He then stated that it was not necessary for a woman to have a large family to be of use in the world, but that the woman who had nineteen children, to provide for, and who prints her godly life in theirs, is a truly great woman. "Woman is the equal of man if not his superior," said Mr. Livingstone, who closed with an urgent appeal to men to respect their mothers, who was the best woman they would ever know.

Memorial Window Unveiled.
The unveiling of a memorial window, donated by the King's Daughters, in memory of the late rector, Rev. J. H. Moorhouse, took place at Christ Church yesterday. The ceremony was interesting and took place before the opening of the morning service, which was conducted by Rev. E. W. Howard, assisted by Rev. Canon Smith, a former rector. The memorial window is an exceedingly beautiful one, representing "The Good Shepherd." The rector, who presided, was Rev. G. B. Sage, of West London, in the evening.

COBALT NEWS

The Silver Queen has several carloads of rich ore sacked for shipment as have the Foster, Coniagas and O'Brien.

The new 100-ton-per-day smelter at Trout Creek, near North Bay, Ont., expects to blow in about May 30, and there will be a concentrating plant erected at Belle Marie, opposite Haysbury, Ont., or Lake Temiskaming, just as soon as the Canadian Pacific has completed its road, now building into the district from the Quebec side.

Mr. J. L. Mitchell, representing Law & Co., of Toronto, is stopping at the Teumseh House. Mr. Mitchell has with him some fine samples of gold quartz from the Belle Marie, the Blue Bell properties at Larder Lake, and he invites all who are interested to call and examine them.

Millions of foreign capital is pouring into the district for development of acquired property and for the purchase of others, and this spring bids fair to see the greatest rush ever known in any mining camp on the globe.

Some very choice samples of silver ore are being taken from the St. Denis mine, in Lorraine Township. The St. Denis was bought by a Philadelphia syndicate for \$250,000, and now forms part of the Philadelphia and Philadelphia Cobalt Mining Company. This company also owns the Gagey claim in Buckle Township, one other in Lorraine, two in Coleman, and twenty at Belle Marie. The total of the company is \$2,000,000, and the shares are selling on the New York curb at 1 1/2. A shipment from the St. Denis mine is looked for in a few weeks.

At the distance of 20 feet north of the line between the Buffalo Company and the property of the Cobalt Township Mining Company, and on the Buffalo location, a rich silicious vein has been discovered. On the surface there was an abundance of bloom with about four feet of soil on top of the bed rock. When this was removed and the cap of soil was taken away, a mass of silver and calcite, and assays disclose that it carries 9,000 ounces of silver to the ton. The vein probably runs into the Township property, which is but a few feet away, and has been followed for several hundred feet on the Buffalo, and from there it can almost positively be stated to run into the Nanticoke. The trend of the vein is northeast and southwest.

FIRST GARRISON CHURCH PARADE
HUNDREDS VIEWED IT ON SUNDAY

that the best instruction which the church can give to her men, next to religious instruction, is military instruction, for he believed that no good soldier could be a bad citizen. The great character-building power of a military training was then dwelt upon. The great principle underlying all military training is that of duty first. This sense of duty to obey the commands of those above a man leads to a sense of duty to his fellow-men and then towards God. Wellington's life was held up by the speaker as an example of what a true soldier is, and in this connection he related many incidents from the life of the Iron Duke.

He finally exhorted all soldiers to strive to live righteous lives, and warned them that in every gathering of men there would be found one black sheep, who would, if he got a chance, lead all his companions astray.

Seventh, Wolsley Barracks Force and London Field Battery Make Good Showing.

The Seventh Regiment has lost none of its popularity was distinctly shown yesterday morning, when hundreds of citizens, notwithstanding the cold weather, turned out to witness the first garrison parade of the season, in which the Seventh, the force from the barracks, and the Sixth Field Battery participated. The service was held at St. Paul's Cathedral. All the soldiers were in their dress parade regalia, and presented a most pleasing and picturesque sight as they marched from the armories down Dundas street to Richmond, and thence north to the cathedral. Returning, the route was via Queen avenue, where the Wolsley Barracks Force, soon surpassed the position occupied by it many years ago. The new instruments are in use, and no doubt will mean great things for the band.

The bug band is fast rounding into form. It did admirable work in yesterday's parade. It is not quite as strong in numbers as last fall, but it has several recruits in training, who will soon be able to appear on parade, and will fill the vacancies.

The Sixth Field Battery led the parade and made a good appearance, although it was a little out of synchronization. Its marching was good, for an artillery regiment, while its dress was neat.

The marching of the Wolsley Barracks men was a feature of the parade and brought forth many very complimentary remarks from the onlookers. In every way the regulars showed to great advantage the benefit of their superior training.

As for the Seventh Regiment, the citizens have good reason to be proud of it, and there is little doubt that it was the chief cause for the hundreds of people thronging the streets to witness the parade. Not only was there a good turnout of the men, but all appeared trim and fit for inspection by the most exacting critic. As for the band, nothing better could be wished for, and it is not an exaggeration to state that never before has the regiment commenced a season in better form than this. Not only is its musical strength good, but the class of recruits received this season has been far above the average. A few more drills, and no militia regiment in the Dominion will be able to hold a candle to the Seventh.

At the cathedral, Rev. Canon Dann preached a short but thoughtful sermon to the soldiers. He commenced by pointing out that when a man enters a military service, he must take into consideration three things—the resistance to be overcome, the power necessary to overcome that resistance, and the best method of applying the power. The building of a machine he compared to the tactics of an army in the battlefield. The first thing is to consider the enemy and its power, then the numbers necessary to overcome that enemy, and lastly the plan of campaigning which will prove most successful. He spoke of the warfare which is being waged between good and evil in the world, and showed that there is a vast difference between the situation as it is at present exists and the state of affairs 60 years ago. At present, unbelief is, as it always has been, the great enemy of all religious movements, but instead of the forces of unbelief being directed against one particular doctrine, all that pertains to Christianity is attacked.

Canon Dann spoke a few words to the soldiers in particular. He said,

Telephone your orders to us, and they will be carefully and promptly filled. Store phone, 1866; Office phone, 317.

NOTHING SUCCEEDS LIKE SUCCESS

The Largest Order Ever Given in Canada.

The wholesalers are the barometers of the drug trade. When the wholesale druggists stock any preparation extensively, this fact may be taken as a sure sign that it is in increasing demand. Probably the largest order ever placed in Canada for a standard remedy was recently given to Fruit-a-lives Limited by the National Drug and Chemical Company of Canada, Limited, calling for 100 gross (14,400 boxes) of "Fruit-a-lives" or "Fruit Liver Tablets."

Inside of two months the National Drug and Chemical Company sold the entire quantity and purchased an additional 100 gross.

These two orders of 200 gross, aggregating 28,800 boxes, show how large the sale of "Fruit-a-lives" has grown, and proves, too, that the people all over the Dominion are fully alive to the value of this excellent preparation.

This fruit remedy no doubt has real merit, yet were it not for the best kind of newspaper advertising, which has told the story of "Fruit-a-lives" to so many of our people, its virtues would be known only to the few.

Real merit and newspaper advertising mean success.

CARTER'S LITTLE LIVER PILLS.

CURE SICK HEADACHE

Sick Headache and relieve all the troubles incident to a bilious state of the system, such as Dizziness, Jaundice, Indigestion, Distress after eating, etc. in the Stomach. While their most remarkable success has been shown in curing

Headache, yet Carter's Little Liver Pills are equally valuable in Constipation, curing and relieving this annoying complaint, while they also correct all disorders of the stomach, stimulate the liver and regulate the bowels. Even if they only cure

ACHE

Is the base of so many ills that here is where we make our great boast. Our pills cure it while others do not.

Carter's Little Liver Pills are very small and very easy to take. One or two will make a dose. They are strictly vegetable and do not grip or purge, but by their gentle action please all who use them.
