Soldier settlers on land may secure advance for improvements up to \$2,000 each. Repatriation work in connection with returned men will be undertaken upon arrival and not, as present, upon discharge from the military forces.

(The work of repatriation will be controlled by the government, but administered by a board of trustees of whom a minister of the crown shall be chairman. Local committees will be established for the encouragement of local soldiers. A special branch will deal with the provision of artificial limbs.)

Permanently maimed soldiers will be afforded every opportunity to supplement their pensions by establishment of specially equipped workshops. Some form of "reserve" employment will be found to tide over the period between military discharge and the obtaining of the particular employment desired by individual soldiers.

PTE. F. GAYNES HOME BUT TWO BROTHERS WILL NEVER RETURN

Uncle of Young St. John Soldier Also Has Made The Supreme Sacrifice

Joyful was the home coming of Pte. Florian (Frank) Gaynes, son of Mr. and Mrs. William Gaynes, 5 Frederick street, who has been on steady active service for two years and four months. But the joy of his home coming was not without its tinge of sorrow, for since he last saw his loved ones at home two brothers and an uncle have given the full measure of patriotism and have been officially reported killed in action.

Private Gaynes returned home this morning via Halifax. He is on a ten weeks furlough. It is understood he was to get his final discharge, as two boys of the family, Harold and William, have given their lives in the war. An uncle, Michael Mahoney, has made the supreme sacrifice.

Private Gaynes had just passed the age of sixteen when he enlisted. He went overseas with the first contingent and has been working hard. He has seen all the big engagements and can relate interesting and terrible experiences. He is now nineteen years of age and has gained twenty-four pounds since he last was in St. John. Needless to say he was anxious to get home, and in a measure lighten the sorrow that has entered this once happy home since the outbreak of hostilities.

PTE. W. P. BURKE IS AMONG WOUNDED

The news that Private William Patrick Burke had been officially reported wounded on July 7 was received on Sunday by his parents, Mr. and Mrs. James Burke, 27 Sheriff street.

Private Burke, who enlisted at the age of eighteen years, went overseas with the 115th Battalion and was transferred to another unit at the front. Before enlisting he had been employed in Murray & Gregory's mill. No details of his wounds or his condition were given in the message.

They are Far-Sight, Near-Sight, Astigmatism and Strabismus Eyes. The last is a strictly muscular trouble. There are degrees of each defect, and each is a danger to sight, though the defect may exist for years before one is aware of it. SENT UP FOR TRIAL

In the police court this morning Vincent Rogers was committed for trial by Police Magistrate Ritchie for theft of tobacco from the store of Albert Wilson in Brussels street. Day Deakman, Hopkings, Detectives Briggs and Duncan and Selma Sullivan, a girl employed in the store, gave evidence.

The police said that a window in the rear had been broken and entrance thus effected. Footprints of a boot showing the heel and toe to be rubber were found about the building. These correspond to a shoe worn by the prisoner. Tobacco found in the defendant's trunk was of the same kind and the same quality as missed from the shop.

The prisoner said that he had bought the tobacco some months ago and had placed it in his trunk. E. J. Henneberry appeared for Rogers. He asked for the dismissal of his client, following the evidence of the police and the prisoner's statement.

Toney Boney and Frank Bowland were arrested on Saturday by Inspector Cupples for fighting in Union street. It appears that one had given the other ten cents to buy a package of cigarettes. The smokers being purchased, the giver of the money contended that they cost only five cents. The men fell out over a nickel and a fight was the outcome.

Hiram Ramsey was fined \$8 or two months in jail for drunkenness; \$8 or two months in jail for kicking a policeman; \$8 or two months in jail for resisting the police. The court also intimated that some effort should be made to find out where he got the liquor. The man was arrested on Sunday.

On Friday at the home of his parents, Mr. and Mrs. David Livingstone, Fredericton, Edwin Joseph Livingstone died, aged six years.
