Lance-Corporal W. J. Giggey of Hampton Here Yesterday—Rescuer Killed in Trying to Save Him

Lance-Corp. W. J. Giggey passed through St. John last evening on his way to visit his mother, Mrs. Frederick Giggey of Hampton, for the first time since his return from the front. A comrade volunteered to make the attempt to rescue him and succeeded in getting to him and carrying him a hundred yards, when a machine gun opened fire on them, killing the rescuer.

THE PRIMARIES

THIS EVENING

There Should be a Big Rally in Every Ward and in County—Some Things to Bear in Mind

The Liberal primaries, which will be held throughout St. John city and county in local campaign for the defeat of the discredited Ottawa government at the coming general election. The ward meetings are being held for the purpose of electing chairmen and delegates to the Liberal convention, which will be held soon. The purpose of the convention will be the selection of candidates to the constituency of St. John and Albert counties.

It is now six years since the Liberal government was defeated on the rocky issue, and the Borden government took office. Six years have been quite long enough to reveal the weakness of the present government, especially under war conditions and the opportunity to pronounce the fate of the administration will be eagerly welcomed. Six years is a long period between elections and members of the Liberal party, although confident of success, will expect to build up a thorough organization to carry on the campaign. For this purpose a large attendance at the meetings this evening is regarded as desirable.

The Liberal party in St. John can prepare for the fight with a feeling of assurance. While local development plans saw their climax under Liberal rule the last few years have seen the worst here dragging while millions are being poured out at local development plans saw their climax under Liberal rule the last few years have seen the worst here dragging while millions are being poured out at a rival port. The issue is bigger than that, however, and in St. John, as in every part of the dominion, where evidences of graft and inefficiency have been shown by the government in its conduct of the war, the people are ready to express their disapproval at the polls.

While the full policy of the Liberal party has not yet been announced for the coming elections, members of the party who are acquainted with its history and the stand the party has taken in matters affecting the life of the dominion and the empire, know that in this fight the party will stand for the highest ideals of good government and for the policy best suited to aid in winning the war.

The knowledge that the Conservative party has been filling the war chests in preparation for the contest, and that the Liberal party will win by legitimate methods only adds emphasis to the need for special preparation in every ward, and the men who gather in the ward rooms this evening will be entitled to the credit due the leaders in a good cause.

The meetings will be held at eight o'clock this evening, the places of meeting for each ward and district being as follows—Lorne, Lansdowne, Stanley; Old Temple of Honor Hall, Main street; Guys, Brooks, Curling Rink, West St. John; Wellington, the Masons' Hall, 19 Brussels street; Prince, corner of Brussels and Union streets; Victoria, Victoria Rink, City road; Duke, 687 Main street; Kings, room 41-43 Pugsley bldg.; Queens, Dufferin Hotel sample rooms; Charlotte, 21 Sydney, Mechanics' Hall, 154 St. James street; Dukes, 128 Princess street.

Ward meetings in the county will be held at the following places: Parish of Lancaster, Temperance Hall, Fairville; Parish of Simonds, Ben Leonard House, Loch Lomond; Parish of St. Martins, Masonic Hall, St. Martins; Parish of Musquash, Robert L. Belding building, Chance Harbour.

The number of delegates to be selected by each ward and parish is as follows—Guys, 9; Brooks, 5; Sydney, 1; Dukes, 9; Queens, 10; Kings, 8; Wellington, 12; Prince, 15; Victoria, 10; Duffin, 18; Lansdowne, 12; Lorne, 13; Stanley, 3.

W. H. Raymond, who has been in charge of the operations of the Eagles Bellows Co. here, said to a Times' reporter that if the necessary materials and machinery were at hand, he could finish the job inside of four weeks. The machinery, however, is not yet on the way here, and until it arrives work on the elevator will be retarded.
