

GOOD THINGS COMING
TO THE THEATRES
OF ST. JOHN

The "Old Homestead"
Concludes Saturday

Although the patronage would warrant continuing playing "Old Homestead" part of next week, this, as before announced, is impossible, as the stage is all prepared for an elaborate production of "Buddies" next week. Tonight, Saturday night and Sunday afternoon will be the last opportunities to see this fine old play of which all St. John is talking.

MAN LOSES LIFE
AT JOGGINS MINES

Amherst, Jan. 31.—James O'Regan, employed at Joggins Mines by the Maritime Coal, Railway and Power Company, was killed in the pit yesterday afternoon by a sudden fall of stone and coal. He was 55 years of age and is survived by his wife and four children.

You Can Eat
Anything You Like
And Not Have
HEARTBURN

In all cases of heartburn there is a gnawing and burning pain in the stomach attended by a disturbed appetite, as when too much food is taken into the stomach it is liable to ferment and become extremely sour, vomiting occurs, and what is thrown up is generally sour and bitter. When you are in this condition you will find that Milburn's Laxa-Liver Pills will give you relief right away.

Mr. Joseph H. MacDonald, Christmas Island, N. S., writes: "Two years ago I suffered all the time from heartburn. I took one vial of Milburn's Laxa-Liver Pills and have never been troubled since."

It is very nice to be able to eat anything you like and not have heartburn any more."

Milburn's Laxa-Liver Pills are 25c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

FIERY, ITCHY SKIN
QUICKLY SOOTHED
WITH SULPHUR

Menthosulphur, a pleasant cream, will soothe and heal skin that is irritated or broken out with eczema; that is covered with ugly rash or pimples, or is rough or dry. Nothing subdues fiery skin eruptions so quickly, says a noted skin specialist.

The moment this sulphur preparation is applied the itching stops and after two or three applications, the eczema is gone and the skin is delightfully clear and smooth. Sulphur is so precious as a skin remedy because it destroys the parasites that cause the burning, itching, oozing, or disfigurement. Menthosulphur always heals eczema right up.

A small jar of Rowles Menthosulphur may be had at any good drug store.

HOME MADE
COUGH MIXTURE
CONSIDERED BEST

Spreads Over Membrane,
Soothes, Heals and Stops
Cough Almost Instantly—
Costs But a Trifle.

Make your own cough syrup in two minutes at home if you want the best. Simple coughs, or stubborn coughs, it doesn't matter, will stop them quicker than any expensive cough syrup you can buy ready made.

It's fine for chest colds too and for acute nasal catarrh.

Get from any drugstore one ounce of Permin (double strength)—to this add a little granulated sugar and enough water to make one half pint. That's all there is to it, and children like it.

Like a soothing, healing poultice one easily substance in this home made cough mixture spreads itself completely over the membrane of the throat. This causes the most stubborn hangover cough to cease almost instantly. No ordinary slow-acting cough syrup contains this expensive ingredient.

And remember—any remedy that overcomes catarrh partially or wholly is bound to be of benefit to those who are troubled with head noise and catarrhal deafness.

Get Permin and get better.

Wonderful Guarantee!

Of Over a Million Bottles of Carnol
Sold, Only Four Have Been Returned

If you will read the second to last paragraph of the circular which accompanies every bottle of Carnol, you will notice the following guarantee: "If, after taking your first bottle of Carnol, according to directions, you find that it has not helped you, that its action is not already recognizable, and you can say so sincerely, take back the empty (or partly empty) bottle, and get your money back. Remember we refund the drugist the purchase price—he loses nothing."

Do you think the manufacturers would make this guarantee if they did not know that Carnol possessed properties of unusual merit?

But, would it be fair to say that Carnol does not possess merit when, out of a million bottles sold, only four were returned?

If the other bottles sold had not proved beneficial, they also would have been returned.

These four bottles were returned and the money refunded without question, the only explanation being that Carnol had not given relief.

As disease is of slow growth it naturally takes time for any medicine to eradicate it.

To get the full benefit of Carnol it is clearly stated in the circular that you should take a "Course of Carnol" although many people have been greatly benefited after taking one or two bottles.

Perhaps the reason why they did not benefit by taking Carnol was because they did not take enough of it—besides it is not claimed for Carnol that it will do the impossible.

Carnol is sold by all good druggists everywhere.

HOME REMEDIES OF OUR
ANCESTORS

Almost every man and woman in America can remember the botanical recipes of our mothers and grandmothers for the treatment of disease, and they were wonderfully dependable too. Every fall there were stored away in the attic thoroughwort, pennyroyal, catnip, sage, wormwood, rue, etc., for treating ills of the family during the winter months that followed. In 1873, Lydia E. Pinkham's Vegetable Compound was first prepared from one of these botanical recipes, and the demand for it has increased to such an extent that hundreds of tons of roots and herbs are now used annually in its preparation. It has recently been proved that 98 out of every 100 women who try it have been benefited by its use, which is a marvelous record for any medicine to hold.

Pope Strikes a
Medal For K. C.

New Haven, Feb. 1.—For the first time in history, the Pope has ordered struck a commemorative medal in honor of an American organization. Mgr. F. Borgognoni, Duke of the Vatican State Department at Rome, in a letter to the National Headquarters of the Knights of Columbus here, states that Pope Pius XI. has ordered a limited number of silver medals to be struck and that the Holy Father himself has dedicated the inscription, which reads in translation:

"The Knights of Columbus with their own money, so that they may fulfill the wishes of Pope Pius XI. P. M., for the Christian instruction of Roman youth, A. D. 1924."

The inscription refers to the \$1,000,000 American welfare work being conducted by the K. of C. in Rome under the auspices of the Vatican.

The observe of the medal, which will be designed by a noted Italian artist, will show Pope Pius XI. in his tiara and the reverse side will be a portrait of the K. of C. Gymnasium and Playground erected on Vatican land at St. Peter's recently donated by the Pope.

SPECIAL MOTOR
SHOW

On another page will be found the announcement of a motor car show being put on by the McLaughlin Motor Car Co., Ltd. in their spacious show rooms on Union Street.

This is rather unique in St. John inasmuch as tea will be served during the afternoon and evenings, and there will be music in the evening.

This arrangement has been carried out very successfully in some of the larger cities in Canada where they have large show rooms and proper facilities for doing it. The McLaughlin people are fortunate in having large show rooms, both on the ground floor and the first floor, which are connected by a nice easy stairway.

The show rooms will be decorated for the occasion. Red Rose Orange Pekoe tea will be served from 4 to 6 o'clock and 9 to 10 o'clock, and Black's orchestra will furnish the music.

The lineup of motor cars at this display is really a complete show in itself, comprising the entire line of McLaughlin cars, numbering over fifteen different models.

Attendees will explain in detail the construction and operation of the motor mechanism, the four wheel brakes and other special features of the 1924 models; and even those who are not contemplating the purchase of a car would be well repaid in visiting this display. 2-3
