C. H. A. CONFERENCE IS CONTINUED

Yesterday afternoons the sessions of the first annual meeting of the Maritime Conference of the Catholic Hospital Association were continued in the Y. M. C. I. building in Cliff street. Rev. William Duke presided.

The afternoon meeting was called to order at 2.30 and the first paper was given by Sister Audet, superintendent of the Hotel Dieu Hospital, of Campbellton. Sister Audet, superintendent of the Bisters. "Higher Standards in Wiraling Schools and the Technical Training of Sisters" was the subject of a paper given by Sister Ignatius, superintendent of St. Joseph's Hospital, Glace Bay. This paper was ably presented and was discussed by the superintendents of the training schools. Because of the lateness of the hour, the round table discussions were not fully completed and probably will be taken up this morning. The visiting Sisters inspected the Infirmary after the afternoon session.

Super was served at the Infirmary after the afternoon session.

Super was served at the Infirmary after the afternoon session.

MILK PRODUCERS' CASE.

During the months of May, June and July the Kings County Milk Producers' Association members will supply milk only at the rate of six cents a quart of forty-eight cents a two-gallon can, according to a decision reached at a meeting of the Association in Norton yesterday. It was decided that, if the price the dealers asked was not paid up to May 15, there would be a milk strike, and the supply would be cut off. The members of this association send about 12,000 of the city's supply of 15,000 quarts. The dealers have been paying fifty cents a can at the point of shipping, but it is said that they are now offering only forty cents.

THE FRESHET RECORD. Claims that the freshet this spring as not even close to the record freshet of 1887 are being based on the discovery of a mark sunk into the con-

Freed from Gray Hair

DON'T submit to the age handicap of gray hair. In a few minutes, safely tint gray, faded or bleached locks to their natural beauty and splendor with Brownatone—the most used hair tint in the U. S. and Canada. It is immediate in results, easy to apply and absolutely harmless to hair, scalp or skin. Brownatone is far superior to so-called color restorers. Do not hesitate. Send 10c now for trial bottle and see for yourself, For sale everywhere—50c and \$1.50
