ADVENTURES OF THE TWINS

By Olive Roberts Barton

ALICE TELLS ABOUT WONDERLAND.

And there sat Alice making a daisy chain.

"Where are we going now?" asked Nancy, as Mister Muggs came along in his little magic car. "I thought you would like to make a call on Alice who went to Wonderland," said the fairyman.

MRS. ROSE PETERS.

Toronto Woman Advises Young Mothers!

Toronto, Ont.—"During all my years of wifehood and motherhood I have had such great comfort from the use of Dr. Pierce's Favorite Prescription that I do not hesitate to recommend it to other women who need strength and help during expectancy. 'Favorite Prescription' relieved me of all nausea, or sick stomach, and kept me well and strong. I took this splendid tonic and medicine during each of my four expectant periods and I feel quite sure that my babies were just as greatly benefited as I myself, for they were plump and exceedingly healthy from the first moment."—Mrs. Rose Peters, No. 227 Backhill Street.

COULDN'T SLEEP HEART WAS BAD NERVES A WRECK

Mr. H. A. Reid, Upper Musquodoboit, N. S., writes:—"I am very thankful for the benefit I have received by using Milburn's Heart and Nerve Pills. When I came home from overseas, in 1920, my heart was very badly affected by concussion, and my nerves were a dreadful wreck. I was very short winded, and could not possibly sleep at night, in fact, I was in such a condition I felt as if I did not wish anyone to speak to me. I thought I would try Milburn's Heart and Nerve Pills, and before I had taken two boxes I could enjoy a good night's rest as well as anyone. There are lots of returned men who are suffering the same as I did, and I feel sure that if they would only try Milburn's Heart and Nerve Pills they will receive the same relief that I have." Price 50c. a box at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

when I have company and I'd so much rather talk."

So they all sat down and Nancy began, "Which one of the people you met on your adventures did you like the best?" "Oh, the rabbit was a darling!" said Alice. "He had such cute little clothes and was such a fine gentleman. When I fell down the rabbit hole he was all dressed up to go to the Duchess's party. Oh, dear, I shall never forget the things that happened to me there! How I grew big and little inside of a minute, until I forgot who I really was. I tried to say the 'How Doth the Busy Little Bee' to comfort myself for being somebody else, and do you know I couldn't even remember it. I said 'How Doth the Little Crocodile' instead."

"I never heard that. How does it go?" asked Nick.

"How doth the little crocodile Improve his shining tail, And pour the water of the Nile On every shining scale?"

"How cheerfully he seems to grin, How neatly spreads his claws; And welcomes little fishes in With gently smiling jaws!"

"Thank you!" said Nick. "That's not hard to understand. And did you find out who you were?" Alice, "If I did come in assorted sizes. Once I bumped my chin on the ground I was so little. And again I put my head on the roof, I was so tall. But it all came out all right and there wasn't a bit of use in my crying."

"Did you cry?" asked Nancy sympathetically. "I suppose you were frightened."

"Not a bit," said Alice. "I was a goose to cry for nothing. I made such a pond of tears I nearly drowned everybody. I'll tell you about it tomorrow."

"TIZ" FOR TIRED, PUFFED-UP FEET. The minute you put your feet in a "TIZ" bath you feel pain being drawn out and comfort just soaking in. How good your tired, swollen, burning feet feel. "TIZ" instantly draws out the poisonous excretions that puff up your feet and cause sore, inflamed, sweaty feet.

"TIZ" and only "TIZ" take the pain and soreness out of corns, callouses and bunions. Get a box of "TIZ" at any drug or department store for a few cents. Your feet are never going to bother you any more. A whole year's foot comfort guaranteed.

CAMPBELLTON CASE AGAIN POSTPONED

Preliminary Examination of Customs Collector Off Until Friday.

Campbellton, May 7.—The preliminary hearing of Chester D. Fairley, charged with defalcation of funds from the Customs House at Campbellton was again adjourned until Friday at the instance of the crown, and the prisoner was remanded until that date at ten o'clock in the morning when it is expected that the hearing will continue. Up to the present Fairley has not retained any counsel for his defence and it is likely that he will choose a speedy trial unless the shortage is paid up and the charge withdrawn.

FABLES ON HEALTH

You and Your Baby

Mr. Mann of Anytown had never forgotten that morning when he walked into the office and announced: "It's a girl." He had rehearsed saying: "It's a boy," but had to change his speech when the doctor made the customary announcement.

The thrill was there, just the same. And though the second and third of the Mann babies were boys, the incident did not have the same epochal significance. He had always loved children, but he suddenly realized how little he knew about babies and their care. He felt he should be able to act in an advisory capacity to Mrs. Mann. So he became deeply engrossed in child problems.

The family doctor supplied him with a brief background: "It once was said that being a baby was one of the most dangerous of occupations," he observed, "but thanks to progressive tendencies in the past dozen years that condition has changed. 'As most parents have found out, the first year is likely to be the hardest. Saving of infant life has been effected largely through centering attention on the later months of that year."

"So just jot down these pointers: complete and absolute sanitation; intelligent care on the part of the mother; skilled supervision in matters

on which the parents are ignorant; careful check on the milk supply, particularly as to purity.

"Most babies are born normal. 'After that it's up to you.'"

WOMEN OF MIDDLE AGE

Relieved of Nervousness and Other Distressing Ailments by Lydia E. Pinkham's Vegetable Compound

Brooklyn, N. Y.—"I first took Lydia E. Pinkham's Vegetable Compound four years ago, and am looking it up now for the Change of Life and other troubles and I receive great benefit from it. I am willing to let you use my letter as a testimonial because it is the truth. I found your booklet in my letter-box and read it carefully, and that is how I came to take the Vegetable Compound myself. It has given me quiet nerves so that I sleep all night, and a better appetite. I have recommended it already to all my friends and relatives."—Mrs. ENGLEMAN, 2322 Palmetto St., Ridgewood, Brooklyn, N. Y.

For the woman suffering from nervous troubles causing sleeplessness, headache, hysteria, "the blues," Lydia E. Pinkham's Vegetable Compound will be found a splendid medicine. For the woman of middle age who is passing through the trials of that period, it can be depended upon to relieve the troubles common at that time.

Remember, the Vegetable Compound has a record of nearly fifty years of service and thousands of women praise its merit, as does Mrs. Engleman.

You should give it a fair trial now.

Felt a Lump In His Stomach

Mr. J. A. Cabana, of 153 Stanley street, is another Montrealeur who has found health by taking Dreco, the famous herbal system builder. Though a young man, Mr. Cabana suffered severely from digestive ailments. Today he has a splendid appetite and feels like a new man.

"Dreco has put me on my feet again," says Mr. Cabana. "A month ago, I was growing thinner and thinner every day. I could not eat. All my food seemed to sour in my stomach and I was troubled greatly with gas formation. When I retired at night I could not sleep, as I felt as though I had a lump in my stomach. I was very nervous, too, and jumpy and often had to walk the floor at night to get relief."

"I also suffered from chronic constipation, but since taking Dreco my bowels are regular every day. My digestion is now excellent and I eat my meals with relish, for I haven't the fear of suffering afterwards."

"I no longer have that tired feeling and although my work often keeps me on my feet fourteen hours a day, it is easily done, without a trace of fatigue. This is because my system is in proper shape. Have gained five pounds in two weeks and have every reason to be pleased with what Dreco has done for me."

Most troubles of this kind are directly traceable to the stomach and bowels. The latter, clogged with poisonous waste matter, affect the stomach, which is unable to perform its functions and the whole system suffers from lack of nourishment as a result. Dreco cleanses the system, purifies the blood and tones and regulates the stomach, bowels, liver and kidneys. Thousands have proved its value. Dreco contains no mercury, potash or habit forming drugs. It is a purely vegetable preparation, always safe and reliable.

Dreco is being specially introduced in St. John by Ross Drug Co., 100 King street; Moore's Drug Store, 105 Prince Edward street; F. W. Munro, 357 Main street, and in West St. John by Watson R. Dunlop. It is also sold in Fairville by T. H. Wilson, and by a good druggist everywhere.
