Head Off High Prices on Lumber

A careful survey of the
Lumber market has con-
vinced us that prices have
struck bottom, and, an ad-
vance is certain in the near
future. There is already a
stiffening; certain sales are
off the market; others have
been marked up in the Unit-
ed States, notably 2 by 8.
This is especially true of
rough lumber, also of doors
and trim.

BUY NOW and head off
high prices as far as you
are concerned.
