

in their care and training of the tender plants in the vineyard of the Master.

We have no ministering Friends from other Yearly Meeting with us at this time, but we believe the Master has blessed us in a good measure, and we hope He may be pleased to send more laborers into this part of His vineyard, for truly the fields are white unto harvest, but the laborers are few.

With a salutation of love, we remain your sisters.

##### *To Canada Yearly Meeting of Women Friends :*

DEAR SISTERS,—As we gathered once more as a Yearly Meeting, we felt that poverty was our portion, and unless help came from our holy and ever blessed Lord and Saviour, we should faint by the way; for without this help, we can do nothing to His glory. Him we should ever love, serve and worship, leaving the vain glory of the world and its allurements behind us, and pressing forward to our high and holy calling of God in Christ Jesus, the author and finisher of our faith. And may we in all humility be led to seek and learn of Him who teaches as never man taught, that we may be able to walk as He would have us to, in the straight and narrow way which leadeth unto life eternal.

May we be enabled, as becomes Christian believers, to endure with patience the hard things which are permitted to befall us, that in the end we may come forth purified by Him who "sitteth as a refiner and purifier of silver and He shall purify every son of Levi."

Your Epistle with those of the other Yearly Meetings in correspondence with us, have been read in this meeting to our comfort and encouragement, and much satisfaction is felt that we are thus remembered by our distant sisters, acknowledging as a divine favor that we are thus connected, and trust that the chain may not soon be broken, but that we may remain bound to each.
