

*To the Secretary, 5th May, 1898.*

DEAR MADAM:

Enclosed please find the sum of twelve dollars, as the sum due; with regard to the report, I may say that Arthur's conduct has been first-class in every respect; he has been honest, trustworthy and industrious, and I cannot speak too highly of him.

Your's truly

R. B.

MANITOBA, February, 1898.

DEAR FRIEND:

I write to let you know how I have got along in this country. Well, I have had good luck, and am going to settle here; I am sure we can get along here. I have sent for the children; Gertie can keep house for us, and there is plenty of work, so when the rest are coming I want Georgie to come along, and I cannot take him away without thanking you for your kindness to him, and to me; and I hope that God may spare your life to the children, and I hope you will never weary in well doing, in deeds of charity and love for all mankind. I will always feel grateful to you and the Home for the kindness shown to me and my children; I cannot thank you enough, nor will I ever be able to pay the debt I owe you for so great a kindness; but I am certain you will be paid, and more than paid, in the life to come, beyond the grave.

I remain, your sincere friend,

WILLIAM B.

Mr. Black will settle up all accounts with the Home.

CROTON, June 3rd, 1898.

MISS R. E. DEACON,

DEAR MADAM,

Please find enclosed the sum of four dollars, \$4, for the first year of Theo. Sloan's apprenticeship. Please excuse me for not writing last month; I fully intended to but neglected to do it. The girls are well, they have not had a day of sickness since coming to the country. We are satisfied with our girls, and they seem to love their home and their surroundings, especially their Sabbath School. I am glad they have been taught in this way. May God bless you in your undertaking, and training of the little ones.

I now enclose, hoping to hear from you soon,

I remain, your friend,

MRS. JAMES CRAGG,

Croton, Ont.
