ENTERTAINMENT. A large audience was present in Court's Hall, Indiantown, on Monday night last, at the performance given by the Portland Reform Club Mingreen by the Fortiand Reform Club Min-strels. The programme which was a first rate one was well carried out, and gave great pleasure to the audience notwith-standing the noise created by some boys who would persist in shouting occasionally, breaking benches, tearing down the ste of youths who seem to glory in showing how uncultivated they are, and whose vio lent outbursts no committee or policeman can suppress. We have every reason for believing, the quality of the performance being considered, that the Minstrels will be greeted with full houses wherever they define the performance of the perfo many appear. They will show at the Mechanics Institute on next Monday night, when under more favorable circumstances they cannot fail to draw forth that applause they cannot fail to draw forth that applause they really deserve.
