**When a Man Buys  
a New Hat**

He generally wants  
one somewhat like  
the one he had be-  
fore, but it's different  
with a woman. A woman can put on  
more "airs" than a man can whistle. How-  
ever, any man can put on airs in one of our  
new Sky Pieces without overdoing it.  
There's that "something" so different about  
our hats that gives them character.

Prices \$2.00 to \$2.50

**MILITARY  
MEDAL FOR  
HIS BRAVERY**

Sergeant Greer of Westfield  
Wins Honor on the Field  
of Battle—He Has Been  
Wounded Twice

By the heroic actions on the field  
of battle of Sergeant Greer, of Westfield,  
another military medal has been won  
for New Brunswick. The father of this  
brave soldier resides in Westfield and  
is undoubtedly proud of the honor given  
to his son who has so distinguished  
himself.  
Surrendering a position offering  
every chance for preferment, this stal-  
wart son of New Brunswick crossed  
over to England in the 1st Contingent  
in the month of August, 1914, as a  
member of the 10th Battalion. Al-  
though no definite news has reached  
the city as to how the medal was won,  
a package arrived in the last English  
mail containing the medal. The letter  
was written by the young hero him-  
self, who is now undergoing treatment  
in one of the hospitals in England.  
This is the second time he has been  
wounded. The tenor of the letter was  
"keep this until I come home," mean-  
ing the medal.

Sergeant Greer has a brother in khaki,  
and who has been at the front. At  
present he, too, is convalescing in  
England. The family are receiving  
many compliments for the heroic boys  
they have presented to the Empire.

**MEN'S SUITS.**

prices you cannot equal. Our Suits at  
\$12.00, \$15.00 and \$20.00 are equal to  
any suit to order from \$20.00 to  
\$30.00. This is one way of saving  
and keeping down the high cost of  
living. It pays to shop at Charlotte  
street—Wilcox's—corner Union.

**WELL ATTENDED SALE.**

A well attended Shamrock tea and  
sale was held last evening in Odd  
Fellows' hall, West Side, under the  
auspices of the Ludlow Street Relief  
Society. An attractive color scheme  
of green and white was used in the  
decorations as typifying the present  
St. Patrick's Day spirit. After an  
appetizing supper had been served  
the attractions and sale tables did  
not break business. The following com-  
mittees were in charge of the affair  
under the efficient direction of Mrs.  
C. E. Belyea, convener of committees:  
Ladies table, Mrs. Wm. McLaren; pair  
of boots, won by Mr. Goddall, who made  
the largest score in the bagatelle  
game. In the bean bag games, a sofa  
cushion was won by Mrs. Hilson Bel-  
yea, and three bags of flour were won  
by Ernest Campbell.  
The receipts taken in at the fair  
amounted to \$150, which sum will go  
towards helping the boys in the tren-  
ches.

**The Fish Market.**

Prices on fish remain about the  
same as last week. Haddock and cod  
are selling for 15c, a pound; smelts,  
18c, a pound; flannan haddock, 18c,  
a pound; founders, 10c, a pound; kip-  
pers, 10c, each; gaspereaux, 3c, each;  
mussels, 90c, a quart; clams, 25c,  
a quart, and mackerel, 25c, a pound.

**The Field Ambulance Celebrate.**

Yesterday was pay day for the 16th  
Field Ambulance. Last night the  
unit was royally entertained at the  
Y. M. C. A. as the boys marched  
through the streets, their songs and  
laughter could be heard for many  
blocks. Captain Arthur Lozier, who  
was recently transferred from the  
16th Battalion, assumed the new  
duties of major with the 16th  
Field Ambulance yesterday.  
An excellent programme was car-  
ried through which included solos by  
Miss Freda Jenkins and Buster Grey;  
cornet solo, Miss Gladys Jenkins; se-  
lections from Drummond by Major  
Watson and recitation by Private Mc-  
Cormick. There were also a few  
sketches as follows: "Brigadier Gen-  
eral Inspecting Body Guard," by the  
Bugle Band; "Model Orderly Room,"  
by boys of No. 8 platoon; "The Hungry  
Seven," a blindfold squad drill by  
seven boys from No. 5 platoon.  
The units present were: No. 5 platoon,  
Lieut. Pike; No. 8 platoon, Lieut.  
Smith; Bugle Band, Sergt. Maxwell.  
Among the other officers present were  
Major Watson, Capt. Henderson and  
Lieut. Campbell.

**GLASS OF SALTS  
CLEANS KIDNEYS**

If your Back is aching or  
Bladder bothers, drink  
lots of water and eat  
less meat.

When your kidneys hurt and your  
back feels sore, don't get scared and  
proceed to load your stomach with a  
lot of drugs that excite the kidneys  
and irritate the entire urinary tract.  
Keep your kidneys clean like you keep  
your bowels clean, by flushing them  
with a mild, harmless salt which re-  
moves the body's urinous waste and  
stimulates them to their normal ac-  
tivity. The function of the kidneys  
is to filter the blood. In 24 hours  
they strain from it 500 grains of acid  
and waste, so we can readily under-  
stand the vital importance of keeping  
the kidneys active.  
Drink lots of water—you can't drink  
too much; also get from any phar-  
macist about four ounces of Jad Salts;  
take a tablespoonful in a glass of  
water before breakfast each morning  
for a few days and your kidneys will  
act fine. This famous salt is made  
from the acid of grapes and lemon  
juice, combined with lithia, and has  
been used for generations to clean  
and stimulate clogged kidneys; to  
neutralize the acids in urine so it  
is no longer a source of irritation,  
thus ending bladder weakness.  
Jad Salts is inexpensive, cannot in-  
jure, makes a delightful effervescent  
lithia-water drink which everyone  
should take now and then to keep  
their kidneys clean and active. Try  
this, also keep up the water drinking,  
and no doubt you will wonder what  
became of your kidney trouble and  
backache.

Seven Men Accepted Yester-  
day—Kilties Vigorous Cam-  
paign—Major Powers After  
Recruits—Field Ambulance  
Celebrate

**HONOR ROLL.**  
Joseph Walsh, England  
William Barker, St. John  
16th Field Ambulance  
D. J. Jones, Montreal  
Alfred Thomas Rees, St. John  
Charles Stanton, St. John  
Charles Thomas Mulse, Yar-  
mouth, N. S.  
Guy E. Northrup, St. John,  
Divisional Signal Co.

Seven men were accepted yesterday  
at the different recruiting offices in  
the city. The Kilties secured the  
largest number of men in the city at  
one time, since the first few days of  
their campaign. Besides the men  
whose names appear on the honor  
roll, seven others had not passed the  
doctor last night. They are for the  
236th Kilties. This morning the re-  
cruiting officers for the Kilties will  
send by mail to every individual in  
the city a personal letter appealing  
to them to join the battalion. This  
will be followed up by personal sol-  
licitations by men of the Kilties.  
Here for Recruits.

Major T. E. Powers, D. S. C., of the  
Signal Training Depot at Ottawa, has  
opened up a recruiting office on Prince  
William street. He is here in the in-  
terest of the Divisional Signal Com-  
pany to secure men. As this section  
has not been contributing very many  
men to this branch of the service, it  
was thought that a recruiting office  
in the last three months but three men  
have been secured in the maritime  
provinces, and of these two are from  
Halifax and one from Saint John.  
The most interesting and attractive in-  
formation for men of education and  
trades, as telegraphists, photographers,  
motor cyclists, artificers and horse-  
men. The company is mounted and  
have horses, motor cycles and bicycles.  
The work itself has great educational  
value. It is attractive to that point  
of view, especially by men who are  
desirous of continuing such work dur-  
ing the war.  
Signalers have an opportunity of  
seeing and learning more about the  
war while at the front than any other  
branch of the service as their work  
takes them in and among all units.  
No doubt the recruiting efforts of  
Major Powers will meet with signal  
success from the men in this section,  
when they learn of the splendid op-  
portunities in this unit. Men enlist-  
ing here will be sent to Ottawa to  
commence upon their preliminary  
training. Any further information  
concerning the signalers can be ob-  
tained from Major Powers at the  
Naval Recruiting Depot, in which he  
has an office.

**Kiltie Campaign Progressing.**

Twenty-six recruits have been taken  
on strength of 236th Kilties Battalion  
during the first 14 days of this month,  
according to daily orders.  
Several recruits, who have been in  
various parts of the province on  
duty were most successful of them  
is Corporal Klippert, a veteran of the  
Boer war, who has been spending  
some time at Campbellton. He en-  
listed six of them proved fit for  
infantry, seven going to Construction  
Corps and two to Navy.  
Lieut. Col. Guthrie, officer command-  
ing, is expected to return to Frederic-  
ton from Ottawa tomorrow or on Sat-  
urday. It is understood that his visit  
there has been one of importance  
and that it has had to do with future  
of the unit, but officers here declined  
to discuss the subject at all today.

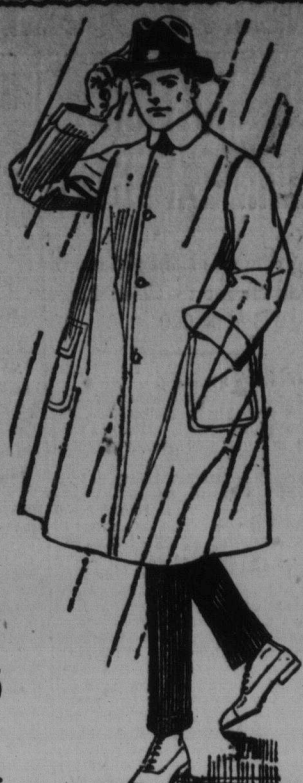

**Held Up in Gloucester.**

Captain Doucette of the 16th Bat-  
talion has left for Gloucester, Can-  
ada to make arrangements for the trans-  
portation of about seventy-five mem-  
bers of the battalion who were unfor-  
tunate enough to get snowed in. The  
Caracquet Railway is the cause of the  
delay, a snow storm having stopped  
traffic on that line for a few weeks.  
Yesterday was pay-day for the 16th

**Battalion.** About \$15,000 was disburs-  
ed among the men.  
It is probable before many weeks  
the 16th Battalion will be leaving St.  
John for "elsewhere." The medical  
inspection, which has been in pro-  
gress since the first of the week will  
be completed today. This is the final  
inspection before the battalion leaves.

**Entertained at Centenary.**  
The young people of Centenary  
church entertained a large party of  
soldiers last night, the majority of  
whom were members of the 13th Can-  
adian Buffs. The good things to eat  
"faded like dew before the sun."

**More Soldiers to Arrive?**  
It is reported in military circles  
that St. John will have another unit  
quartered here for a short time. It  
will probably be a flying corps, which  
was recruited and trained in Toronto.  
Just when this unit is to arrive it is  
not known, but preparations are under-  
way for quartering the members in  
the Martello Tower.

It will be remembered that it was  
stated some time ago no more units  
would be quartered in the city, except-  
ing perhaps for a few days; apparent-  
ly this statement, which was only  
semi-official, was incorporated in the  
military activities in the city, that St.  
John will have troops here for the en-  
tire year. There was some talk of the  
Kilties coming to St. John but this ru-  
mor is without the slightest founda-  
tion.

**Was Troubled With  
Shortness of Breath**

When the heart becomes affected,  
there ensues a feeling of a choking  
sensation, a shortness of breath, pal-  
pitation, throbbing, irregular beating,  
smothering sensation, dizziness, and  
a weak, sinking, all-over feeling of op-  
pression and anxiety.  
The nerves become unstrung, you  
dread to be alone, have a horror of  
society, start at the least noise and  
are generally fatigued.  
On the first sign of the heart be-  
coming weakened or the nerves un-  
strung, Milburn's Heart and Nerve  
Pills should be taken. They are just  
what you require at this time. They  
regulate and stimulate the heart, and  
strengthen and restore the whole  
nervous system.

Mrs. C. M. Cormier, Buctouche,  
N. B., writes: "Since two years ago I  
was troubled with a shortness of  
breath, and sometimes I could hardly  
breathe. I went to see several doc-  
tors, and they said it was from my  
heart and nerves, but they did not  
seem to do me any good. One day I  
got one of your B.B.B. Almanacs and  
read of a case similar to mine.  
"I bought a box of Milburn's Heart  
and Nerve Pills, and after taking it I  
noticed such a change that I kept on  
more boxes, when I was cured."  
Milburn's Heart and Nerve Pills  
are 50c. a box, three boxes for \$1.25,  
at all dealers or mailed direct on re-  
ceipt of price by The T. Milburn Co.,
